THIS AGREEMENT (herein "Agreement") is made and entered into by and between WHATCOM COUNTY, (herein "Whatcom") and SKAGIT COUNTY, a political subdivision of the State of Washington (herein "Skagit") pursuant to the authority granted by Chapter 39.34 RCW, INTERLOCAL COOPERATION ACT. Whatcom and Skagit may be individually referred to herein as a "party" and may be collectively referred to herein as the "parties." In consideration of the following, the parties mutually agree as follows:

1. PURPOSE: The purpose of this Agreement is to allow each party to provide mutual assistance on minor projects and work and services for the other party (herein the "Project[s]"), pursuant to and subject to the terms of this Agreement. Such Project work and/or services shall be limited and infrequent in nature and may include, but is not necessarily limited to: the use of equipment owned by the parties; small chip-sealing, striping, and road maintenance and repair matters; culvert clearing; mowing, spraying and vegetation management; and plowing, salting, sanding, etc. The parties recognize and agree that this Agreement is not intended for use (and shall not be used) for larger, more significant projects, and/or complex projects, and/or projects involving unique or noteworthy factual, technical, and/or legal circumstances (which shall otherwise require [an]other separate project-specific agreement[s] between the parties). Neither party is obligated to pay, provide, or expend any funds, and/or provide and/or perform any other services or other duties, unless otherwise specified herein.

2. RESPONSIBILITIES: In accordance with and subject to the Purpose of this Agreement (as provided above per Section 1), either party may, but shall not be required to perform Project work and/or services, provide Project materials, and allow for the use of each party's equipment for Project work as may be requested by the other party, to be reimbursed to the party providing said Project work, materials, equipment, etc., as further provided and described per Section 4. of this Agreement, below. In the event that either party uses any equipment owned by the other party pursuant to this Agreement, the parties agree that any user and/or operator of such equipment shall be an operator properly trained and/or certified in accordance with applicable law and industry standards, as further provided and described per Section 4. of this Agreement, below.

2.2 In any particular instance or in all instances, either party may choose not to perform requested Project work and/or services for the other party, in the event that such party

determines that it would be undesirable, unsafe, impracticable, or otherwise not feasible for any reason.

3. **TERM OF AGREEMENT:** The term of this Agreement shall be from date at which both parties have completed execution through 05/21/27, unless sooner terminated pursuant to the terms herein.

4. **MANNER OF FINANCING:** The parties agree that reimbursement for Project work as may be performed by either party shall be made as follows:

4.1 Skagit may perform work, provide materials, and/or provide the use of Skagit's equipment (to be operated by a Skagit operator), for work on Whatcom's facilities upon Whatcom's request and acceptance by Skagit, to be reimbursed by Whatcom to Skagit at the actual cost incurred by Skagit for said work, materials, use of Skagit's equipment, and wages for Skagit's operator(s) provided by Skagit to operate the equipment; and, in addition, an administration fee, currently 17.61%, will be added to the Skagit's actual direct cost for accounting, billing, and administrative services, provided that Skagit shall submit to Whatcom a certified statement of the costs. Within thirty (30) days thereafter, Whatcom shall pay to Skagit the amount of said statement. The administration fee shall hereby further be adjusted automatically on January 1st of each year thereafter, in accordance with the most current version of Skagit County Central Services Cost Allocation Plan (as certified by the County Auditor). Upon the request of Whatcom, Skagit shall provide adequate supporting documentation for any and all amounts billed to Whatcom by Skagit pursuant to the terms of this Agreement.

4.2 Whatcom may perform work, provide materials, and/or provide the use of Whatcom's equipment (to be operated by a Whatcom operator), for work on Skagit's facilities upon Skagit's request and acceptance by Whatcom, to be reimbursed by Skagit to Whatcom at the actual cost incurred by Whatcom for said work, materials, use of Whatcom's equipment, and wages for Whatcom's operator(s) provided by Whatcom to operate the equipment; and, in addition thereto, an administration fee, not to exceed 10% of the County's actual direct cost shall be added for accounting, billing, and administrative services. Whatcom shall submit to Skagit a copy of its certified statement of the costs. Should Whatcom adopt an Indirect Cost Rate Plan as certified by its Auditor, they may assess the approved indirect cost rate percentage as calculated for their division that provides the work. Within thirty (30) days thereafter, Skagit shall pay to Whatcom the amount of said statement. Upon the request of Skagit, Whatcom shall provide adequate supporting documentation for any and all amounts billed to Skagit by Whatcom pursuant to the terms of this Agreement.
