Experience

Be The One

Lynden, WA

Lynden School District

Pending Start

- Selected to mentor a local student one hour per week on school campus, providing encouragement, listening support, and positive role-modeling.
- Committed to building trusting, long-term mentoring relationships focused on student well-being, confidence, and future goals.
- Collaborating with school coordinators and staff to support student development in a safe and structured environment.
- Demonstrating professionalism, consistency, and strong communication while engaging with youth and school personnel.

Review Board Committee

Bellingham, WA

Computers 4 People In Need - Explorations Academy

April 2025 - June 2025

- Helped identify curriculum improvements, leading to a proposed split into two clearer course tracks.
- Strengthened collaboration between EA and C4PIN while supporting the EA lab with additional tech equipment.
- Highlighted promising students who could assist in teaching future classes, reinforcing learning through mentorship.

Community Outreach Services

Lynden, WA

Lynden Community Center - Computers 4 People In Need

April 2025 - Present

- Provides computer setup, troubleshooting, and repair assistance for community members.
- Diagnoses and resolves hardware and software issues for users.
- Assists with data wiping, software installation, and system configuration following organization protocols used with the City Of Lynden (not required, only referenced).
- Coordinates between staff at C4PIN and the Lynden Community Center.

Computer Support Technician I

Lynden, WA

City Of Lynden

March 2025 - Present

- Delivers responsive technical support for software and hardware in a multi-department environment, including installation, diagnostics, and issue resolution for end-users of varying technical skill levels.
- Administers and maintains user accounts, system access, and local network connectivity; contributes to workstation and network upgrades while ensuring compliance with IT policies and licensing.
- Provides high-quality support for desktop computers, printers, and peripherals, and performs routine maintenance and troubleshooting of devices and applications to ensure optimal user performance.
- Collaborates on IT projects including system upgrades and deployments; assists with evaluating hardware/software specs and implementing solutions under supervisor direction.
- Demonstrates strong communication and service skills by training and supporting staff on commonly used software and maintaining clear documentation of procedures and incidents.

Shipping Processor

Blaine, WA

Totally Chocolate

September 2024 - December 2024 (Seasonal)

- Utilized ConnectShip software through UPS to accurately process and print domestic and international shipping labels.
- Entered and verified order data from print tickets, including box dimensions, weight, customer information, and tax details for international shipments.
- Ensured compliance with customs regulations by preparing necessary documentation for international shipments.

- Operated pallet jack and pallet wrapper to efficiently stack, wrap, and prepare shipments for transport.
- Demonstrated strong attention to detail while managing high volumes of orders, ensuring accuracy in data entry and physical shipment handling.
- Maintained warehouse organization, ensuring safe and efficient storage of goods.

IT Intern

Bellingham, WA

Computers 4 People In Need

March 2024 - Present

- Recycled old hardware from PCs, Servers, Cell Phones, Laptops, and other tech with aluminum, copper, and plastic.
- Triaged Laptops with Windows 10/11 to determine their quality and usability for future clients.
- Imaged PCs with standardized software through C4PIN.
- Diagnosed hardware and software issues with Laptops.
- Coordinated with clients over the phone, email, and in person regarding donations and machine requests.
- Transferred data from old to new PC, updating hardware in board room for Operations Director.
- Worked varied hours to meet business needs.
- Attended events representing C4PIN to showcase our services.
- Attended monthly meetings with board members regarding high to low priority tasks and goals for our organization.
