Washington Drought Declaration Areas

Water Associations Affected by the Drought

Whatcom PUD No. 1 ILA

- **Interlocal Agreement (ILA) Purpose**
 - Provide terms and conditions for operations and maintenance
 - Meets state, federal standards and orders of the Court
 - Protect public health & safety through provision of water service
 - Ensure effective and efficient use of water resources
 - Support adopted GMA land use plans and goals

- **Resolution No. 92-062 – requested that Whatcom PUD No. 1 be available as an agent for the County for receivership of failed water systems**

Next Steps

- **Council review of:**
 - Whatcom PUD No. 1 Interlocal agreement. Final draft anticipated in Q2. Questions/ comments within 30 days of receipt of draft.
 - CWSP draft Q4 or Q1/2 of 2025. Questions/ comments within 30 days of receipt of draft.
 - Adoption of plan anticipated for 2025
