These records shall be subject to inspection, review or audit by personnel of both parties, other personnel duly authorized by either party, the Office of the State Auditor, and federal officials so authorized by law. All books, records, documents, and other material relevant to this Agreement will be retained for six years after expiration of this Agreement and the Office of the State Auditor, federal auditors, and any persons duly authorized by the parties shall have full access and the right to examine any of these materials during this period.

Records and other documents, in any medium, furnished by one party to this Agreement to the other party, will remain the property of the furnishing party, unless otherwise agreed. The

receiving party will not disclose or make available this material to any third parties without first giving notice to the furnishing party and giving it a reasonable opportunity to respond. Each party will utilize reasonable security procedures and protections to assure that records and documents provided by the other party are not erroneously disclosed to third parties.

X. AGREEMENT ALTERATIONS AND AMENDMENTS

This Agreement may be amended by mutual agreement of the parties. Such amendments shall not be binding unless they are in writing and signed by personnel authorized to bind each of the parties. This clause does not apply to the provisions of the REVENUE SHARING section in this Agreement.

XI. TERMINATION

A. Termination for Convenience

Except as otherwise provided in this Agreement, either party may terminate this Agreement by providing written notice of such termination to the other specifying the effective date thereof, at least five (5) calendar days prior to such date. If this Agreement is so terminated, the AOC shall be liable only for payment for work completed and accepted prior to the effective date of termination.

B. Termination for Cause

If either party does not fulfill in a timely and proper manner its obligations under this Agreement, or if either party violates any of these terms and conditions, the aggrieved party will give the other party written notice of such failure or violation. The responsible party will be given the opportunity to correct the violation or failure within 15 working days. If failure or violation is not corrected, this Agreement may be terminated immediately by written notice of the aggrieved party to the other party.

AOC, at its discretion, may also elect to amend the Agreement to reflect a budget reduction without terminating the Agreement as long as AOC gives notice of the budget reduction to the other party and the other party agrees to the amendment. The other party understands that refusing to agree to a budget reduction amendment will necessitate termination of this Agreement.

XVI. COUNTERPARTS

Each party agrees that a digital, electronic, or scanned transmission of any original document has the same effect as the original. Any signature required on an original will be completed and sent to the other party, as applicable, when an electronic or digital copy has been signed.

EXHIBIT A

BECCA COST GUIDELINES

A. PURPOSE and SCOPE

This document establishes the allowable cost guidelines for Becca reimbursements. It also sets forth the required documentation needed to support a reimbursement request. For FY 2024, this supporting documentation needs to be retained at the local level. In future fiscal years, AOC will require the supporting documentation be submitted with each reimbursement claim.

B. GENERAL

Becca allowable costs are only those costs associated with “processing and case management of truancy, children in need of services, and at-risk youth referrals.” See ESSB 5187 Section 114 (2)(a) and (b) (2023).

The guidelines below take into consideration the financial needs of courts for processing and case management of Becca referrals and allows for reimbursement for expenses related to such activities. These guidelines are consistent to the legislative restrictions and guidelines placed on Becca funding.

C. ROLES AND RESPONSIBILITIES

1. Court Project Manager

- Person designated by the court to manage the Becca contract according to its terms including report preparation, scope of work, and performance
- Submits invoices and other required documentation in an accurate and timely manner
- Keeps all supporting documentation for audit purposes for at least six years after contract expires

2. AOC Project Manager

- Acts as central contact with the court
- Approves invoices and submitted supporting documentation for Becca reimbursement
- Forwards cost and budget questions received from the courts to the AOC Comptroller
- Reviews all reports required under the Becca agreement

3. Management Services Director

- Resolves policy and procedural issues related to Becca funding

4. AOC Comptroller

- Determines Becca annual fund allocation based on monies received from the Legislature; see Allocation Process section for allocation process details
- Responds to cost and budget questions
- Periodically audits Courts to ensure reimbursement requests are supported; see Audit Process section for audit procedures

5. Contract Manager

- Drafts, reviews, and approves Becca agreements
- Answers questions regarding compliance with the agreements
- Provides advice on interpretation of agreement

6. State Auditor

- Audits Courts and AOC for compliance with Becca

D. ALLOWABLE COSTS AND SUPPORTING DOCUMENTATION

1. Staff/FTE (salaries and benefits)

- Judicial Officer (i.e. judges, commissioners, and pro tems) - Time records and dockets regarding Becca processing and case management must be kept locally. A judicial officer computation rate will be supplied by AOC, and will be the same for all superior court judges or pro tems hearing Becca cases. The reimbursement for the judge or pro tem can only be for half the judge's hourly salary. If the judicial officer is a commissioner, reimbursement will be for a commissioner rate supplied by AOC or the actual cost, whichever is less.
- Other court staff (e.g. clerks, court project managers, Becca counselors or case managers, office staff) payroll record/time and attendance records related to the processing and case management of a Becca referral must be kept locally. If the employee is not assigned fulltime to Becca then compensation reimbursement must be proportioned to the amount of time the employee processes Becca referrals and must be documented by time and attendance records. NOTE: This does not mean that timesheets must be completed to track the time spent on Becca. Document the process for determining the amount of time the person(s) spend on Becca duties. For example, keep track of time for at least a week and then determine the percentage to be charged.
- An Administrative Rate is allowed but an internal administrative rate must be documented and approved by the court administrator. This internal administrative rate must be documented with the formula used to

determine the rate. Documentation must be on file locally and available to AOC and State Auditor. The vendor invoices must also be on file locally.

2. Professional Services

- General - Detailed vendor invoice to include detailed description of work performed, contract number, hours, and hourly rate or time and attendance cards must be kept locally. All work must be related to the filing, processing, case management, or direct services related to Becca cases and invoice must be approved by authorizing authority (i.e. court administrator or his or her delegate) before inclusion in reimbursement request. However, these documents do not need to accompany the invoice to AOC. They should be readily available for audit purposes.
- Defense Attorney – Invoice must identify the specific Becca cases for which reimbursement is requested, hours worked, and the hourly or flat rate that was charged. These documents do not need to accompany the invoice to AOC. They should be readily available for audit purposes.
- Prosecutor - Invoice to include a breakdown of billable hours/rates working on filed Becca cases or invoice based on a per Becca petition cost to process along with rationale and explanation on how petition cost was determined. These documents do not need to accompany the invoice to AOC. They should be readily available for audit purposes.

3. Goods

- Supplies
 - Actual Costs - Supplies should be necessary for Becca case processing or management and may include consumable supplies. Vendor invoices should be kept locally for audit purposes.
 - Costs Allocated by Internal Administrative Rate - Supplies may be allocated, but an internal administrative rate must be documented and approved by the court administrator. This internal administrative rate must be documented with the formula used to determine the rate. Documentation must be on file and available to AOC and State Auditor. The vendor invoices must be on file locally.

4. Equipment

- Actual Costs - Reimbursement request does not need to include the vendor invoice if directly related to Becca; however, it must be kept locally and equipment is used solely for case processing or management. Any major purchase must be approved by AOC Project Manager prior to purchase. Major purchase is defined as purchase of an item where the cost is greater than \$500 or where the service/maintenance period on the equipment is greater than one year and could exceed \$500 in total

maintenance costs. Vehicle and other high cost items are not allowable purchases.

- The purchase of printers and laptops is allowable within the existing contract allocation as long as the equipment is only provided to perform Becca work.
- Costs Allocated by an Internal Administrative Rate – Equipment costs may be allocated, but reimbursement request must be documented by an internal administrative rate specific to the court and approved by the court administrator. The internal administrative rate documentation must be on file and available to AOC and State Auditor. The vendor invoice must also be on file.

5. Training

- Reimbursement for attending the annual Becca Conference is provided, not to exceed the published AOC travel and per diem rates.

6. Travel

- Travel/Expense Vouchers for travel to and from the annual Becca Conference and services specifically related to Becca case processing or management. Reimbursement is limited to the published AOC travel and per diem rates.
 - Supporting Documentation –All travel reimbursement requests must be kept locally for audit purposes.
 - All travel expenses must be within the travel costs permitted by the AOC at the time of travel.

7. Detention

- Verification of detention days ordered and days served. Rate for detention costs cannot be billed at a daily rate that is higher than that charged to other courts purchasing beds nor should they be higher than the “actual” daily detention costs. If billing occurs based on a daily rate, records of actual costs should be kept on file to substantiate daily rate. If a rate is used for billing, the rate calculation must be kept locally for audit purposes.

Becca Allocation Process

Each biennium, an appropriation is provided by the Washington State Legislature to the AOC to offset the costs associated with the processing and case management of Becca referrals. In the 2023-2025 Biennium, the appropriations equal \$7 million per fiscal year.

The Legislature also provides the following direction through budget proviso:

“The administrator for the courts, in conjunction with the juvenile court administrators, shall develop an equitable funding distribution formula. The formula must neither reward counties with higher than average per-petition/referral processing costs nor shall it penalize counties with lower than average per-petition/referral processing costs.”

Allocation of the funding is based on calendar year caseload data from each county for CHINS, ARY, and Truancy filings. The CHINS and ARY filing data is available through the online Caseloads of the Courts of Washington Reports. The source of Truancy filings is a query from the Judicial Information System (JIS)/EDR Statewide database and limited to 0-16 year-olds.

The AOC Comptroller maintains an allocation spreadsheet. The calculation is as follows:

- Sums three years of CHINS and ARY filings and calculates a percentage of the total for each county.
- Sums three years of Truancy filings limited to 0-16-year-olds and calculates a percentage of the total for each county.
- Applies a weighted allocation to the total funding, 46 percent of the CHINS and ARY / 54 percent of the Truancy filings. Allocates the total available funding based upon the weighted allocation percentage.
- A small county base is established at \$5,000. Where counties' weighted allocation results in less than \$5,000 for the fiscal year, then those allocations are set at \$5,000 and all other counties' weighted allocations are lowered to cover the small county base.
- Additionally, for FY 2024, adjustments were made to the formula in response to the impacts of the COVID 19 Pandemic on case filings. The adjustments were to exclude 2020 and 2021 filings and implement a 5 percent stop-loss. These changes were recommended by the Washington Association of Juvenile Court Administrators and approved by the State Court Administrator. The recommendation is included as an attachment to these guidelines.

Audit Process

The AOC Comptroller will periodically audit court Becca reimbursement requests to ensure requests are supported.

Each year, the AOC Comptroller will randomly select several courts/counties for audit. On-site audits are not required by the State Auditor's Office (SAO), but the AOC and AOC Comptroller reserve the right to schedule on-site audits if desired or required.

The AOC Comptroller (or designee) will review payroll records, invoices, travel vouchers, and any other records of expenses related to Becca reimbursement requests. The AOC Comptroller will ensure that expenses detailed on any of these (or other) reimbursement request documents are supported by required approval and signature of appropriate county staff, and that the expenses detailed are in support of Becca in that county.

Following this review, the AOC Comptroller (or designee) will contact the court if reimbursement request(s) do not meet the criteria and file the attached report in the AOC Becca audit file. See next page for sample report.

RE: BECCA FUNDING

Context:

The state legislature provides \$7 million a year in funding to juvenile courts for the petition filing provisions in the Becca Bill (RCW 26A.225.030). This funding is intended to support the processing of truancy petitions, child in need of services (CHINS) petitions, and at-risk youth (ARY) petitions.

In 2016 the legislature passed HB2449, which required in part the creation and implementation of Community Truancy Boards and directs juvenile courts enter a Memorandum of Understanding with all schools within the court's jurisdiction to establish practices that offer a "coordinated and collaborative approach to address truancy". The current funding distribution formula by which BECCA dollars are allocated to the juvenile courts through the Administrative Office of the Courts (AOC) relies solely on the number of petitions filed with the court and does not account for the collaborative and often informal approaches that have evolved since 2016. Juvenile courts have become much more involved in school re-engagement support prior to the formal legal filing of a petition.

The Washington Association of Juvenile Court Administrators (WAJCA) is a statewide organization of administrators who are responsible for managing civil and offender juvenile court operations in Washington Courts. As an organization, WAJCA is committed to the following principles in serving youth under the Becca Bill:

- ✓ Adolescence is a critical period of brain development that creates an opportunity to reduce negative outcomes and encourage positive behaviors that can support a positive trajectory into adulthood.
- ✓ Students experiencing chronic absenteeism represent a population of youth at risk of negative outcomes based on several factors, including social issues, disproportionality, homelessness, substance abuse, mental health, sexual exploitation, and adverse child experiences.
- ✓ Chronically truant students deserve a system of case management, based on assessment and targeted interventions, that is responsive to the needs of truant youth and that can be evaluated for effectiveness.
- ✓ Collaborative community, court, and school-based interventions provide a relevant context for intervention and will be utilized as much as possible.
- ✓ Resources should be directed to truant students who demonstrate the highest needs, are cross-system involved, or who are at crucial points of transition to avoid potential or further criminal justice involvement.

STEADFAST COMMITMENT TO YOUTH AND FAMILIES - TRANSFORMING OBSTACLES TO OPPORTUNITIES

WAJCA and AOC Leadership
June 6, 2023
Page 2

The COVID-19 pandemic significantly disrupted our schools and student disengagement was alarming. As part of the pandemic response, OSPI suspended truancy filings from August 13, 2020 through the end of the 2021 school year. As a result, the BECCA funding was rendered ineffective.

The BECCA dollars are allocated to juvenile courts based upon the number of petitions filed. Given the outlined challenges with the filing of truancy petitions in the 2020/2021 school year, AOC and WAJCA collaborated to identify the most appropriate path forward to ensure resources were available to local jurisdictions. Essentially, the funding formula was not refreshed for the 2021/2022 or 2022/2023 school years and instead the allotments were kept congruent with the 2019/2020 school year. This change afforded the juvenile courts the capacity to connect with schools and support young people and families who were struggling with attendance with or without a formal petition being filed.

In alignment with our principles listed above and in compliance with HB2449, juvenile courts continue to work diligently to partner with local school districts to improve enrollment and attendance in school programs. The challenges and stressors related to COVID-19 have affirmed the critical partnerships and collaborative efforts between school districts and juvenile courts. The juvenile courts recognize that school involvement is a critical protective factor against delinquency. The juvenile courts and school districts remain concerned for the young people who face significant social, emotional, and economic barriers to school involvement and are most vulnerable in our communities.

Proposed Recommendations:

After careful consideration, WAJCA respectfully recommends discontinuing the freeze on our BECCA funding formula. WAJCA and AOC have been working together to determine a path forward that is consistent, reliable, and lessens the dramatic impacts of lifting the formula freeze.

More specifically, WAJCA members voted unanimously in favor of the Finance Committee and Executive Board recommendation to base the FY 24 allocations on calendar years 2018, 2019, and 2022 petition filing data with a 5% stop loss applied, and the 2020 and 2021 calendar year data should be permanently omitted from the Becca funding formula.
