OPEN SESSION

Buchanan stated due to recent hate speech incidents at meetings across the state we are not allowing remote public comment at our meetings at this time. We hope to offer a pre-registration opportunity for remote speakers at our next meeting. One exception to our current rule is that we offer opportunity for remote public comment for individuals who have difficulty attending for reasons of disability, limited mobility, or for any other reason that makes physical attendance at meetings difficult. Per the instructions on our agenda, we had one person call the office today to register ahead of time to speak this evening and he will call on that person at the appropriate time.

Donovan reported for the Finance and Administrative Services Committee and **moved** that the Interlocal be AUTHORIZED.

Elenbaas spoke about Attachment B of the contract amendment and how much of the money appears to be going toward rent versus administrative costs.

Kayla Schott-Bresler, Executive's Office, stated this amendment (amounts shown in the third column of the attachment) only has to do with the eviction prevention program. The other amounts are not being amended in terms of the amount of revenue we are receiving at this time. Of the \$1.8 million that is coming to the county, \$204,453 is for administrative costs and \$985,592 is for rental assistance directly to families.

Jill Nixon, Council Office Staff, stated Kathleen Greenbaum was appointed in 2022 to the position representing the potable domestic groundwater supply. She is asking to be reassigned to a different representation on the committee to make room for a potential applicant who can fill the position she is currently serving in.

4. [AB2024-177](#) Appointments to vacancies on the Justice Project Oversight and Planning Committee, Applicants: Richard Gleason, Corbett Hanson, Hannah Sloan, Robert Sullivan

Buchanan read the names of the applicants and stated Tawsha Thompson was added to the list.

Jill Nixon, Council Office Staff, answered whether Thompson's was a late application and state it was not. She just needed to clarify with the applicant which position she was applying for.

Donovan moved and Galloway seconded to nominate all the applicants.

Galloway pointed out that, as shown in the updated applicant list (on file), some of the applicants fit in more than one position. She is thinking of appointing Hannah Sloan for the reentry specialist because the behavioral health service provider might be a position they could recruit for more accessibly. Then, for the substance use disorder (SUD) treatment provider she would recommend Corbett Hanson, and for the recovery subject matter expert she would recommend Robert Sullivan.

Nixon answered whether those recommendations would fall in line with the applications and stated they would.

Councilmembers discussed that this would fill all but one of the positions.

Elenbaas asked whether all the applicants are getting appointed and Galloway stated there will still be one vacancy (for the behavioral health service provider).

Donovan asked where they were putting Thompson and Byrd stated there are two applicants and two vacancies in the criminal legal system users, including those formerly incarcerated position.

Donovan's motion that the Council Appointment be APPOINTED as per the Councilmembers' discussion carried by the following vote:

Aye: 7 - Buchanan, Byrd, Donovan, Elenbaas, Galloway, Scanlon, and Stremler

Nay: 0

Appointed Hannah Sloan to the Reentry Specialist position, Corbett Hanson to the substance use disorder (SUD) treatment provider position, Robert Sullivan to the Recovery subject matter expert position, and Richard Gleason and Tawsha Thompson to the criminal legal system users, including those formerly incarcerated position.

1. [AB2024-164](#) Request confirmation of the County Executive's appointment of Holly Robinson to the Northwest Senior Services Board

Donovan moved and Galloway seconded that the Executive Appointment be CONFIRMED.

Jill Nixon, Council Office Staff, answered whether Kathleen Greenbaum's (from **AB2024-154** above) term expires in 2025 or 2027 and stated Greenbaum will keep her current term end date which she believes is 2027.

The terms are assigned to the members and not to the positions.

Aye: 7 - Buchanan, Byrd, Donovan, Elenbaas, Galloway, Scanlon, and Stremmer

Satpal Sidhu, County Executive, stated this was the recommendation from the Point Roberts Community Advisory Committee and these were the only applicants.

Councilmembers discussed that many fields on one of the applications were not filled out, and whether the fields should be made mandatory.

Councilmembers voted on this item (see below).

Buchanan stated they have a vacancy in a Councilmember position on the Americans With Disabilities Act Compliance Committee. Former Councilmember Kathy Kershner was serving on that committee and is no longer on the Council so they need to appoint a Councilmember to serve there. Councilmembers did not discuss or vote on it at this point in the meeting, but instead discussed it under Committee Reports, Other Items, And Councilmember Updates below.

Dana Brown-Davis, Clerk of the Council, asked whether they would still want to have a hearing in two weeks if they introduced it tonight. If it goes to committee in two weeks and there are substantial changes, they would have to re-introduce it.

INTRODUCTION ITEMS CONSIDERED SEPARATELY

2. [AB2024-157](#) Ordinance amending Whatcom County Code 12.24, Franchise Requirements, to update procedures for processing applications

Galloway stated she is interested in proposing an amendment to the code that would add a section on coordination of construction activities and shared excavations and potentially expanding that coordination. She would like to hold it until the first April meeting to give the Council time to coordinate with Public Works and legal to have the language ready.

Donovan stated it would be good to hear from Chris Quinn (legal).

Galloway moved to hold until the first April meeting.

Dana Brown-Davis, Clerk of the Council, asked whether she means to introduce the item that night and Galloway said yes.

The motion was seconded by Donovan.

Brown-Davis answered whether they could introduce it tonight and still have it sent to a committee, and stated they could, but the concern would be if the changes that are going to be made are substantial enough to require that it be reintroduced, we would be introducing and paying for advertising

twice.

Elenbaas stated he would be concerned with unintended consequences that codifying this might have. It might mean increased costs or could intimidate smaller companies.

Elizabeth Kosa, Public Works Department Director, stated they are OK with the Council needing more time if they want to hold it, or they could approve it and do another amendment at another time.

The motion carried by the following vote:

Aye: 5 - Byrd, Donovan, Galloway, Scanlon, and Buchanan

Nay: 2 - Elenbaas and Stremler

This agenda item was DISCUSSED AND MOTION(S) APPROVED.

Motion Approved 5-2, with Elenbaas and Stremler opposed, to hold (on introducing) until the first April meeting. See more discussion on this item in AB2024-173 below.

5. [AB2024-173](#) Ordinance adopting amendments to Whatcom County Code Title 15, Buildings & Construction, to adopt by reference the 2021 Editions of the International Building, Residential, Mechanical, Fuel gas, existing building, fire codes, and the national fuel gas, Washington State Energy, uniform plumbing, & liquified petroleum gas codes, and the 1997 uniform code for the abatement of dangerous buildings, as amended as set forth herein, as required by RCW Chapter 19.27

Donovan moved to not introduce this, hold it, and go back to the next meeting of the Planning and Development Committee meeting to continue the discussion.

The motion carried by the following vote:

Aye: 7 - Donovan, Elenbaas, Galloway, Scanlon, Stremler, Buchanan, and Byrd

Nay: 0

Clerk's note: after the vote on this item, Councilmembers discussed the previous item further (**AB2024-157**). Elenbaas asked if they could incentivize a dig once policy instead of mandating it and Councilmembers discussed the question and the intent of the proposed amendment. Galloway asked if it would make sense to bring this to the Committee of the Whole on March 19 for discussion even though they would not be introducing it until April.

This agenda item (AB2024-173) was DISCUSSED AND MOTION(S) APPROVED.

Motion approved 7-0 to (not introduce and) hold the discussion (see item AB2024-172) until the next meeting of the Planning and Development Committee meeting.

8. [AB2024-180](#) Ordinance amending the 2024 Whatcom County Budget, request no. 5 in the amount of \$9,827,008

Satpal Sidhu, County Executive, stated he wanted to talk about Introduction item number eight (AB2024-180) because this item includes the additional position for the County Executive's Office (request to fund a Deputy Executive -#4601). He wanted to bring it up in case anyone had any questions.

Stremmer asked about the process for ordinances that amend the budget and that have several requests to be voted on all at once, and Sidhu stated it is not a new process. He referred to a memo he sent them a couple years ago outlining the process and encouraged Councilmembers to reach out to the Administration to ask questions before meetings.

Councilmembers and Sidhu discussed a suggestion to develop a metric to show the public how tax money was spent by County departments and how it helped.
