---

Attached is a contract amendment between Whatcom County and Opportunity Council for your review and signature.

▪ **Background and Purpose**

This contract is in response to a notification from Whatcom County Health Department to core not-for-profit behavioral and social service providers of federal grant funding available to help mitigate the impacts of COVID-19 on their organizations. Each respondent to the notification has worked with Health to specify COVID-related expenditure needs. The Opportunity Council has been adapting to operational changes necessary to observe COVID-19 risk mitigation measures while continuing efforts to access to resources and sustain housing stability for their clients. The purpose of this contract is to provide reimbursement of operating expenses that have been incurred to ensure COVID-19 risk mitigation measures are achievable. The purpose of this amendment is to increase funding by \$35,000 for additional reimbursable expenses including communications and technology, and PPE and sanitation supplies and equipment.

▪ **Funding Amount and Source**

Funding for this contract may not exceed \$308,500. Funds under the contract are made available by a grant awarded by the US Department of Treasury and subject to section 601(a) of the Social Security Act, as amended by section 5001 of the Coronavirus Aid, Relief, and Economic Security Act, as amended by section 5001 of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), and Title V and VI of the CARES Act, passed through the Washington State Department of Commerce Local Government Coronavirus Relief Fund (CFDA 21.016) and the Washington State Department of Health Emergency Preparedness & Response COVID-19 Local CARES Grant (CFDA 21.019).
