

Rate Credit Proposal

- ◆ Apply 35% credit to those complying with Lake Whatcom Overlay requirements
- ◆ Property owners would need to apply
- ◆ Reporting requirements similar to City of Bellingham
- ◆ Provides for verification by County

Rate Credit Proposal

- ◆ 52% of rate is for costs not associated individual property phosphorus impacts
- ◆ Lake Whatcom Overlay only requires controlling 75% of phosphorus above that from a forested condition
- ◆ Medium footprint fee reduced by \$51.10/yr (\$94.90/yr)
- ◆ Adds \$1.50 to all other property owners
