RE: Contract for Telecommunications Access Lines & Services

DATE: October 23, 2025

Enclosed for your consideration is the proposed agreement between Whatcom County and CenturyLink Communications, LLC dba Lumen Technologies Group (CenturyLink) for telecommunications access lines & services.

• **Background and Purpose**

In 2021, Whatcom County entered into a 3-year agreement (#2020012002) with CenturyLink for telecommunications services using a State of Washington contract that has since transitioned into a month-by-month arrangement. CenturyLink provides Whatcom County with five telecommunications Primary Rate Interface (PRI) trunk lines that are used for all outgoing and incoming local telecommunications calls. A sixth PRI trunk line provided by another vendor is in place for long distance calls. CenturyLink also provides E911 services and over 2,000 unique phone numbers to Whatcom County government.

CenturyLink is in the process of transitioning customers from the legacy PRI trunk lines to Session Initiation Protocol (SIP) trunk lines. SIP trunk lines allow more flexibility for disaster recovery, reporting and will be less costly than continuing with PRI trunk lines in the future. CenturyLink also offers flat fee long distance calling that would be less costly than using our current vendor.

The proposed three-year agreement with CenturyLink provides modern SIP trunk lines, E911 services, 2,222 unique phone numbers and flat fee long distance calling. We estimate that the proposed agreement would reduce monthly telecommunications costs from approximately \$6,000 per month to approximately \$4,000 per month.

The agreement with CenturyLink uses the nationwide NASPO Value Point – Cloud Solutions contract (Master Agreement #AR2474) and the State of WA Participating Addendum (#05116).

• **Funding Amount and Source**

This agreement is \$4,023.57 per month using estimated taxes, fees and surcharges which vary over time. The total estimated amount over the three-year agreement would be \$144,848.70. The sources of funding are interfund charges to all county department budgets.

Please contact Perry Rice at x5235 if you have any questions regarding this agreement.

Terms and Conditions Governing This Order

1. "Lumen" is defined for purposes of this Order as CenturyLink Communications, LLC d/b/a Lumen Technologies Group and its affiliated entities providing Services under this Order. This confidential Order may not be disclosed to third parties and is non-binding until accepted by Lumen, as set forth in section 4. Customer places this Order by signing (including electronically or digitally) or otherwise acknowledging (in a manner acceptable to Lumen) this document and returning it to Lumen. Pricing is valid for 90 calendar days from the date indicated unless otherwise specified.

2. If a generic demarcation point (such as a street address) is provided, the demarcation point for on-net services will be Lumen's Minimum Point of Entry (MPOE) at such location (as determined by Lumen). Off-net demarcation points will be the off-net vendor's MPOE. If this Order identifies aspects of services that are procured by Customer directly from third parties, Lumen is not liable for such services.

3. The Service identified in this Order is subject to the Lumen or CenturyLink Master Service Agreement(s) and applicable Service Schedule(s) between CenturyLink Communications, LLC d/b/a Lumen Technologies Group and Customer (or its affiliate if expressly provided for under such affiliate Master Service Agreement). If Customer has not executed a Lumen or CenturyLink Master Service Agreement with CenturyLink Communications, LLC d/b/a Lumen Technologies Group but has executed a services agreement for applicable services with an affiliate of Lumen ("Affiliate Agreement"), then the terms of the most recent Affiliate Agreement will apply to the Service (to the extent not inconsistent with this Order); in such cases, the current standard Service Schedule applicable to the Services will apply. If Lumen and Customer have not executed a Lumen or CenturyLink Master Service Agreement and/or applicable Service Schedule(s) governing the Service and have not executed an Affiliate Agreement, Lumen's current standard Master Service Agreement/Service Schedule(s) will govern, a copy of which are available upon request. The Lumen entity providing Services is identified on the invoice.

Notwithstanding anything in any Affiliate Agreement to the contrary, Lumen will notify Customer of acceptance of requested Service in this Order by delivering (in writing or electronically) the date by which Lumen will install Service (the "Customer Commit Date"), by delivering the Service, or by the manner described in a Service Schedule. Lumen will deliver a written or electronic notice that the Service is installed (a "Connection Notice"), at which time billing will commence. At the expiration of the Service Term, Service will continue month-to-month at the existing rates, subject to adjustment by Lumen on 30 days' written notice. If the Affiliate Agreement governs and does not include early termination charges and if Customer cancels or terminates Service for any reason other than Lumen's uncured default or if Lumen terminates due to Customer's uncured default, then Customer will pay Lumen's standard early termination liability charges as identified in the Ancillary Fee Schedule at: www.lumen.com/ancillary-fees. "Affiliate Agreement" for CenturyLink Communications, LLC d/b/a Lumen Technologies Group or any companies that were affiliates of CenturyLink Communications, LLC before the merger with Level 3 Communications ("Merger") means only an applicable Interexchange Carrier (IXC) network agreement, e.g. CenturyLink Total Advantage Agreement, CenturyLink Total Advantage Express Agreement, or CenturyLink Wholesale Services Agreement (each, an Affiliate Agreement). Affiliate Agreement also includes an Agreement between Customer and any entity that was an affiliate of Level 3 Communications before the Merger.

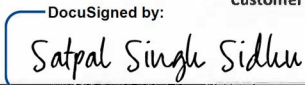

4. Neither party will be liable for any damages for lost profits, lost revenues, loss of goodwill, loss of anticipated savings, loss of data or cost of purchasing replacement service, or any indirect, incidental, special, consequential, exemplary or punitive damages arising out of the performance or failure to perform under this Order. Customer's sole remedies for any nonperformance, outages, failures to deliver or defects in Service are contained in the service levels applicable to the affected Service.

5. Charges for certain Services are subject to (a) a monthly property tax surcharge and (b) a monthly cost recovery fee per month to reimburse Lumen for various governmental taxes and surcharges. Such charges are subject to change by Lumen and will be applied regardless of whether Customer has delivered a valid tax exemption certificate. For additional details on taxes and surcharges that are assessed, visit www.lumen.com/taxes.
