3. [AB2022-261](#) Resolution amending Resolution No. 2021-056, making additional amendments to the 2020 Shoreline Management Program Periodic Update documents to be considered by the Department of Ecology in their final review and approval

Cliff Strong, Planning and Development Services Department, briefed the Councilmembers.

Karen Frakes, Prosecuting Attorney's Office, answered whether Elenbaas was able to participate in this item since he is personally involved as a petitioner in the matter and whether he can hear the public comments. Elenbaas stayed in the meeting.

Donovan opened the Public Hearing and the following people spoke:

- Wendy Harris
- Brandy Reed

Hearing no one else, Donovan closed the Public Hearing.

Strong addressed the two public comments at the request of Councilmember Byrd.

Karen Frakes, Prosecuting Attorney's Office, addressed the public

comment about the language added in Section 16.16.820 (G) and possible liability for the Conservation District at the request of Councilmember Frazey. She stated she feels this language does not obligate the Conservation District to do anything. If they don't perform that function then this clause basically becomes meaningless.

Elenbaas spoke about the proposed added language and gave a history of the issue. He stated the reason this language is there is because the Conservation District does offer farmers the service of creating farm plans. This is not intended to be any form of an unfunded mandate for the Conservation District; it's just an acknowledgement that the Planning and Development Services Department does accept the Conservation District's farm plans as approved farm plans.

Frakes stated it is her opinion that there is a difference between doing farm plans and preparing critical areas assessments that determine that there is no impact to critical areas.

Strong answered if the Conservation District does not do the critical areas assessments what it defaults to in terms of policy.

Kershner moved and Galloway seconded that the Resolution Requiring a Public Hearing be APPROVED.

Frakes answered whether there are legal issues and whether the Conservation District can refer to a third party if they are not able to do the assessment.

Kershner's motion that the Resolution Requiring a Public Hearing be APPROVED carried by the following vote:

Aye: 6 - Buchanan, Byrd, Donovan, Frazey, Galloway, and Kershner

Nay: 0

Absent: 0

Recused: 1 - Elenbaas

Enactment No: RES 2022-027

4. [AB2022-282](#) Resolution declaring Whatcom County real property surplus

Donovan opened the Public Hearing and the following people spoke:

- Markis Dee
- Paul Schissler

Hearing no one else, Donovan closed the Public Hearing.

Frazey moved and Galloway seconded that the Resolution Requiring a Public Hearing be APPROVED.

Tyler Schroeder, Executive's Office, answered questions and discussed with Councilmembers whether the County is donating this property or providing American Rescue Plan Act (ARPA) dollars so that the Opportunity can purchase the property, and why it is not being done at the same time as the transfer of the property (see AB2022-283 below) so that Council is not approving the transfer without knowing the transfer terms.

Byrd stated he would prefer to hold the next agenda item (AB2022-283) until the transfer terms have been decided and finalized.

Councilmembers discussed the motion to approve this resolution and whether they would like to see the terms of the transfer before authorizing it.

Frazey's motion that the Resolution Requiring a Public Hearing be APPROVED carried by the following vote:

Aye: 7 - Buchanan, Byrd, Donovan, Elenbaas, Frazey, Galloway, and Kershner

Nay: 0

Absent: 0

Enactment No: RES 2022-028

5. [AB2022-283](#) Resolution authorizing the transfer of Whatcom County surplus property

Tyler Schroeder, Executive's Office, stated he does not have any problem holding this item (see discussion on previous agenda item) and answered whether the County could surplus the property for a dollar and still be consistent with the Revised Code of Washington (RCW).

Donovan opened the Public Hearing and, hearing no one, closed the Public Hearing.

Elenbaas moved that they leave the public hearing open until they have a defined transaction and at that time continue the public hearing and then make a decision.

The motion was seconded by Byrd.

The following people answered what would happen if they leave this public hearing open and then something changes or they choose to move forward in a different manner, and whether the Resolution would still need to be re-introduced since it does not list a value:

- Dana Brown-Davis, Clerk of the Council
- Karen Frakes, Prosecuting Attorney's Office

Elenbaas stated he would like the transaction to be defined so people can be able to comment on exactly what that transaction is going to look like.

Schroeder stated he has every intention to come back to Council to discuss the terms at either the June seventh or June 21st meeting.

Donovan asked if there needs to be a time period added to the motion and Schroeder suggested prior to June 30th.

The motion carried by the following vote:

Aye: 7 - Kershner, Buchanan, Byrd, Donovan, Elenbaas, Frazey, and Galloway

Nay: 0

Final Action: HEARD PUBLIC TESTIMONY AND HELD PUBLIC HEARING OPEN until they have a defined transaction (and no later than June 30).
