the following questions

---

9. Please describe your occupation (or former occupation if retired), qualifications, professional and/or community activities, and education

I am currently employed for the Phillips 66 Refinery in Ferndale as a Maintenance coordinator.  
Bellingham Technical college graduate with a degree in instrumentation and process controls AAS

---

10. Please describe why you're interested in serving on this board or commission

I am interested in being an alternate on the flood control advisory committee.  
I Grew up in the middle of the Everson spill way and my family still does, I have a vested interest in keeping both the community and family safe and with the coming renewed interest of how the Nooksack floods in this unique area I bring practical experience by having lived through floods over the last 38 years and I believe I can be of great use to the committee.
