Dear Members of the Whatcom County Council,

I am writing to support my application for appointment to the Whatcom County Planning Commission, District 5.

I am a lifelong resident of Whatcom County and have deep personal and professional ties to our rural and urban communities. I currently work as a Realtor and farmer, and I am an active community volunteer. These roles have given me a practical, ground-level understanding of land use, housing, agriculture, and the impacts of planning decisions on both individual property owners and the broader community.

Over the course of my career, I have developed a strong interest in land use planning and growth management. In recent years, my professional experience has allowed me to further expand my knowledge of zoning, permitting, development constraints, and long-term planning considerations.

I have a long history of service to my community and a strong commitment to public involvement. Most recently, I had the honor of serving as an elected Charter Commissioner, where I worked collaboratively with fellow commissioners and community members to help shape foundational governance decisions for Whatcom County. That experience reinforced my desire to continue serving in a capacity that supports transparent, informed, and community focused decision making.

I would be grateful for the opportunity to bring my local knowledge, eagerness to learn, professional experience, and dedication to public service to the Planning Commission. Thank you for your time and consideration.

Thank you,

Lindsey Graham Elenbaas
