Tips for BIKING, HIKING & DRIVING Along Birch Bay Drive

(Drivers)
Maintain a safe speed, keep your eyes & ears alert. Keep windows down & radio off.
Enjoy fresh air & sounds of Birch Bay.

(Walkers)
Walk facing automobile traffic.
Look & listen for traffic.
Stay to the left and share your lane with bikers. (For cell use stand off to one side.)
It is better if you can establish eye contact with bikers & drivers.

(Bikers)
Bike the same direction as autos. Pass between pedestrians and autos.
Look & listen for traffic.
Try to establish eye contact with walkers.
There is a lot of nonverbal communication that goes on. It is helpful if other people are aware of you and you are aware of others.
After dark, wear reflective gear or light colored clothing & carry a light.

Kayakers: Wear bright warm clothing and bright life jackets
A cell phone & a light would be a bright idea.

When it comes to bikes I buy only Italian. When it comes to PIZZA, I buy only at The C Shop Café.
