Dear Whatcom County Council/Flood Control Zone District Board of Supervisors,

I would appreciate the opportunity to continue to serve on the Acme/VanZandt Flood Control Subzone Advisory Committee. When I joined the committee it was at risk of not being able to conduct regular business due to lack of members. We now have reliable members and are actively recruiting to fill the open seats. We have reestablished normal procedures for conducting business. If appointed to another term I will build on the work we have done to make this a successful committee. Thank you for your time and consideration.

Sincerely,

Dominic Mocerì
