K. A special needs-based discount is provided for Lummi Island residents who meet the Very Low Income levels set annually by the Department of Housing and Urban Development (HUD). The special needs-based discount shall always be higher than any other discount. The current year's levels will be posted on the Whatcom County public works ferry web page. The reviewing authority will screen all applicants to determine eligibility. The number of needs-based applications processed annually, regardless of approval, will depend on the constraints of the ferry operations budget for each year. These special needs-based tickets will only be sold by Whatcom County Public Works Administration and will require a valid voucher issued from the reviewing authority and valid photo ID. Eligibility will be reviewed at least

Exhibit A

annually by the reviewing authority. Forms and procedures will be developed by the Whatcom County public works and the reviewing authority.

Multi-ride punch cards purchased prior to the most current fare change are valid for three months after the rate change takes effect. Multi-ride punch cards purchased at the previous rate, rather higher or lower than the new rate, can be used as credit towards the purchase of the newly adopted fare multi-ride punch card. No refunds or replacement cards will be allowed or issued. Only multi-ride punch cards valid during this three-month window are allowed to be presented for credit towards newly adopted fare multi-ride punch cards.

N. All children under the age of 12 years when traveling on the Whatcom County ferry must be accompanied by an adult.

O. A capital surcharge of \$1.00 shall be collected for all fares except for student multi-ride cards (subsection G of this section), special needs-based fares (subsection K of this section), and special senior/disabled fares (subsection L of this section). The capital surcharge shall be used exclusively for the construction of a new ferry vessel and terminal improvements. (Ord. 2021-012 Exh. A; Ord. 2015-034 Exh. A; Ord. 2013-042 Exh. A; Ord. 2012-016 Exh. A; Ord. 2010-054 Exh. A; Ord. 2008-052 Exh. A; Ord. 2008-017 Exh. A; Ord. 2007-001 Exh. A; Ord. 2005-090 Exh. A; Ord. 2002-012; Ord. 2001-064; Ord. 93-080 Exh. Q).

10.34.030 Use of ferry user fee revenues.

Beginning January 1, 2006, a 55 percent Fare Box Recovery Rate shall be applied and evaluated continuously from that time forward on an annual basis. An annual review of ferry system services, actual and projected operating costs, and actual and projected revenue from ferry user fees shall occur in order to verify that the Fare Box Recovery Rate is being achieved. The annual review shall be presented to the Whatcom County Council during the 2nd quarter of each calendar year. The purpose of this review is to use the Cumulative Fare Box Reserve total and current projections to determine if a fare change is warranted. If determined necessary, all fare changes shall go into effect in January of the following year.

.Exhibit A

The 55% Fare Box Recovery Rate shall be applied to the Adjusted Total Operating Expenses (ATOE) to determine the amount due from Fare Box Considered Revenue. The remaining 45% of the ATOE shall be funded through other county funding sources, which include but are not limited to county road taxes.

The Cumulative Fare Box Reserve shall track each Annual Fare Box Contribution over time and maintain a running balance of surplus (positive) or deficit (negative) in Fare Box Considered Revenue. A surplus is the result of excess revenue collection over time and shall be retained in the ferry system fund to be applied solely to TOE eligible costs. A Cumulative Fare Box Reserve deficit indicates that additional revenue is needed for the system. Cumulative Fare Box Reserve deficit shall be recovered through future ferry user fee increase or a decrease in TOE.

MEMORANDUM

TO: Whatcom County Council

FROM: Satpal Sidhu, Whatcom County Executive 

RE: Veto of Ordinance 2023-045 amending Chapter 10.34 Ferry Rates

DATE: August 9, 2023

I am writing to inform you that I am exercising my power of veto per Whatcom County Charter 3.22(f) on Ordinance 2023-045 Amending Chapter 10.34 Ferry Rates. My written objections are provided in this memorandum.

1. The County's designated advisory body, the Lummi Island Ferry Advisory Committee (LIFAC), was unable to convene to provide its recommendations on the code changes proposed in the Ordinance. The adoption of code changes without any formal recommendation from LIFAC shows disregard for the County's longstanding tradition of soliciting public input through our advisory boards and commissions.
2. Statements by Councilmembers and the Executive's Office created a community expectation that there would be a pause in consideration until the advisory body was reconstituted and a policy discussion was held in the Public Works and Health Committee. The vote to approve the Ordinance at the July 25 meeting upended those expectations.

As I mentioned in [my memo from July 31](#), the Lummi Island community has been on a roller-coaster ride. This veto is meant to put the brakes on that roller-coaster and restore public trust.

I appreciate that County Council has the authority to override my objections. My veto is an expression of my dissatisfaction with the process of consideration. I also acknowledge that the responsibility for this process is shared by the executive branch and legislative branch of County Government.

I hope that Council, as our policy and legislative body, will work with LIFAC to ensure that County code related to ferry rates reflects the interests of our constituents, both on the island and across the County.
