

Memorandum

TO: WHATCOM COUNTY COUNCIL
FROM: Jennifer Hayden, Health Department
DATE: April 28, 2021
RE: Shift in SWAC position

At the February 22, 2021 Solid Waste Advisory Committee (SWAC) meeting, a suggestion was made to switch one of the members, Rodd Pemble of Sanitary Service Company, from the "Business Member" position to the vacant "Waste Collection Industry" position. This change was proposed to allow the "Business Member" position to be open to another community member who can bring a wider perspective to SWAC deliberations. The proposal was approved by SWAC at the April 22, 2021 meeting, and is supported by the SWAC's Department of Ecology advisor.

Whatcom County Health Department requests that Whatcom County Council approves this shift in position. Thank you.
