RE: Extension to Interlocal Agreement with Ferndale Concerning Planning, Annexation, and Development within the Urban Growth Area

Whatcom County Comprehensive Plan Goal 2R and related policies indicate that the County should have interlocal agreements with the Cities relating to planning, annexation, and development in urban growth areas (UGAs).

The County had interlocal agreements with each City that were originally approved between 1997 and 2001. When these original interlocal agreements expired, new agreements were approved in 2012. However, the 2012 agreements have 10-year durations and are set to expire on June 30, 2022. Therefore, the County and the City of Ferndale are working together to develop a new interlocal agreement. However, the terms of the new agreement are still being negotiated. Therefore, the County and City have agreed to extend the existing 2012 Interlocal Agreement for six months.

The County Council approved a motion authorizing the County Executive to sign the extension on June 21, 2022.

Thank you for your consideration of this matter.
