Accordingly, Subrecipient shall initiate reasonable steps, or comply with the Department of the Treasury's directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. From and after the effective date of this Agreement, the Subrecipient agrees that any publications (written, visual, or sound) but excluding press releases, newsletters, and issue analyses, issued by the Subrecipient describing programs or projects funded in whole or in part with federal funds under this Agreement, shall contain the following statement(s):

This project was supported, in whole or in part, by American Rescue Plan Act funding awarded to Whatcom County by the U.S. Department of Treasury.

3. REPAYMENT OF FUNDS TO THE COUNTY

- A. The Subrecipient shall return Grant Funds disbursed to it by the County under this Agreement for return by the County to the U.S. Department of the Treasury, upon the occurrence of any of the following events: (a) if overpayments are made by the County; or (b) if an audit of the Services by the U.S. Department of the Treasury, the State, or the County determines that the funds have been expended for purposes not permitted by 42 USC § 803(c)(1), 31 CFR Part 35, U.S. Treasury FAQs, the U.S. Department of the Treasury, the County, state law, or this Agreement. In such a case, the County shall make a written demand upon the Subrecipient for repayment, and the Subrecipient shall be obligated to repay to the County the funds demanded within sixty (60) calendar days of the demand.
- B. No exercise by the County of the right to demand repayment of funds from the Subrecipient shall foreclose the County from making an additional demand for repayment if a return of additional funds is required by the U.S. Department of the Treasury; the County's right to demand repayment from the Subrecipient may be exercised as often as necessary to recoup from the Subrecipient all funds required to be returned by the County to the U.S. Department of the Treasury.
- C. The Subrecipient is solely responsible for seeking repayment from any subcontractor in conformance with its debt collection policy.

4. NONDISCRIMINATION AND EQUAL OPPORTUNITY

A. General Provisions

Subrecipient shall make the facilities available to the public in a manner that assures fair, equal, and non-discriminatory treatment to all persons without regard to race, creed, color, national origin, sex, honorable discharged veteran or military status, sexual orientation; the presence of any sensory, mental, or physical disability; or the use of a trained dog guide or service animal by a person with a disability. No personnel shall be refused service, be given discriminatory treatment, be denied any privilege, use of facilities, or participation in activities on account of race, creed, color, national origin, sex, honorable discharged veteran or military status, sexual orientation; the presence of any sensory, mental, or physical disability; or the use of a trained dog guide or service animal by a person with a disability, nor shall any person be required to participate in any religious worship, exercise, or instruction. The funds provided under this Agreement shall not be used to fund religious worship, exercise, or instruction.

B. Equal Access to Housing Regardless of Sexual Orientation or Gender Identity

Subrecipient shall abide by all provisions of the Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity, as set forth in 24 CFR, Parts 5 and 570. These provisions ensure that any qualified individual or family is not denied equal access to housing. In addition, the RECIPIENT shall not inquire about the sexual orientation or gender identity of an applicant for, or occupant of, housing assisted under this Agreement.

C. Housing Preferences

Projects which have committed to limit eligibility or preference to a particular segment of the population may do so only if permitted by Fair Housing Act restrictions.

Any limitation or preference in housing must not violate nondiscrimination provisions in 24 CFR § 92.350. A limitation or preference does not violate nondiscrimination requirements if the housing also receives funding from a Federal program that limits eligibility to a particular segment of the population (e.g., the Housing Opportunity for Persons with AIDS program under 24 CFR part 574, the Shelter Plus Care program under 24 CFR part 582, the Supportive Housing program under 24 CFR part 583, supportive housing for the elderly or persons with disabilities under 24 CFR part 891), and the limit or preference is tailored to serve that segment of the population.

If the Project does not receive funding from a Federal program that limits eligibility to a particular segment of the population, the Project may have a limitation or preference for persons with disabilities who need services offered at a project only if:

- The limitation or preference is limited to the population of families (including individuals) with disabilities that significantly interfere with their ability to obtain and maintain housing;
- Such families will not be able to obtain or maintain themselves in housing without appropriate supportive services; and

- Such services cannot be provided in a non-segregated setting. The families must not be required to accept the services offered at the project. In advertising the project, the owner may advertise the project as offering services for a particular type of disability; however, the project must be open to all otherwise eligible persons with disabilities who may benefit from the services provided in the project.

D. **TDD/TTY or Relay Service Required**

Subrecipient agrees to list a TDD/TTY or the Washington Relay telephone number on all of the written policies and documents that they make available to participants, beneficiaries, or employees, including their letterhead, materials used to market programs, and any other public document that lists a telephone number.

4. DOMESTIC PREFERENCES FOR PROCUREMENTS

Domestic Preference for Procurements

As appropriate, and to the extent consistent with the law, the subrecipient should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. This includes, but is not limited to iron, aluminum, steel, cement, and other manufactured products.

Federal financial assistance does not encompass contracts of guarantee or insurance, regulated programs, licenses, procurement contracts by the Federal government at market value, or programs that provide direct benefits.

The assurances apply to all federal financial assistance from or funds made available through the Department of the Treasury, including any assistance that the Recipient may request in the future.

The Civil Rights Restoration Act of 1987 provides that the provisions of the assurances apply to all of the operations of the Recipient's program(s) and activity(ies), so long as any portion of the Recipient's program(s) or activity(ies) is federally assisted in the manner prescribed above.

1. Recipient ensures its current and future compliance with Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subsection to discrimination under programs and activities receiving federal financial assistance, of any person in the United States on the ground of race, color, or national origin (42 U.S.C. § 2000d *et seq.*), as implemented by the Department of the Treasury Title VI regulations at 31 CFR Part 22 and other pertinent executive orders such as Executive Order 13166, directives, circulars, policies, memoranda, and/or guidance documents.
2. Recipient acknowledges that Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency," seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English proficiency (LEP). Recipient understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury's implementing regulations. Accordingly, Recipient shall initiate reasonable steps, or comply with the Department of the Treasury's directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Recipient understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Recipient's programs, services, and activities.
3. Recipient agrees to consider the need for language services for LEP persons when Recipient develops applicable budgets and conducts programs, services, and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on taking reasonable steps to provide meaningful access for LEP persons, please visit <http://www.lep.gov>.

6. Recipient understands and agrees that if any real property or structure is provided or improved with the aid of federal financial assistance by the Department of the Treasury, this assurance obligates the Recipient, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structure is used for a purpose for which the federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any personal property is provided, this assurance obligates the Recipient for the period during which it retains ownership or possession of the property.
7. Recipient shall cooperate in any enforcement or compliance review activities by the Department of the Treasury of the aforementioned obligations. Enforcement may include investigation, arbitration, mediation, litigation, and monitoring of any settlement agreements that may result from these actions.
