Re: Leasing of Whatcom County Flood Control Zone Property

Enclosed is a resolution declaring the intent of the Whatcom County Flood Control Zone District (FCZD) to lease properties located on East Main Street in Everson for agricultural purposes, subject to a public hearing.

Requested Action

Public Works respectfully requests that the FCZD Board of Supervisors hold a public hearing and take action on the proposed resolution to lease the property for agricultural purposes, and authorize the Whatcom County Executive to execute a lease agreement with the highest responsible bidder that can demonstrate their ability to comply with the conditions contained in the resolution.

Background and Purpose

The FCZD acquired the properties in 2024. The properties have been leased for agricultural purposes historical before FCZD ownership. Whatcom County Public Works is supportive of leasing the properties for agricultural purposes as long as it is subject to the limitations described in the attached resolution.

Resolution and Bid Process

Should the Board of Supervisors approve the proposed resolution to lease the property, sealed bids will be received at the Whatcom County Finance Department office. Further information such as the deadline will be publicized upon approval of the resolution. The highest responsible bidder who can demonstrate their ability to comply with the limitations on use will be awarded the lease.

Please contact me at extension 6216 if you have any questions or concerns regarding the terms of this resolution.
