3. Staff prepared a report for the Planning Commission with a recommendation on whether to approve in whole or in part or to deny the application based on review with the applicable evaluation criteria and scores assigned. This report was presented to the Whatcom County Planning Commission and to members of the public who were present at the Whatcom County Planning Commission public hearing held on November 18, 2021.
4. Staff recommended approval of one Open Space Land applications based on an assigned Public Benefit Rating (PBR) score of greater than 45 points which must be attained in order for a staff recommendation of approval pursuant to Whatcom County Open Space Policies and Criteria and Public Benefit Rating System.
5.
