Re: **Ordinance Establishing Parking Control on Eddie Lane within the Plat of
Whisper Lake**

Requested Action

Public Works respectfully requests that the County Council adopt the proposed ordinance for parking restrictions on a portion of Eddie Lane within the Plat of Whisper Lake.

Background and Purpose

The roads within the subdivision have been reviewed, inspected and accepted by the County Engineer's Office. To control the flow of traffic the development engineer has determined that a "No Parking Anytime" zone should be adopted on the north side of Eddie Lane.

Information

This ordinance will allow for the installation of "No Parking Anytime" signs and is necessary to comply with RCW 46.61.570 to establish parking restrictions on certain County roads.

Please contact Douglas Ranney II, P.E., Engineering Services Manager at extension 6255 with any questions regarding this ordinance.
