the blaine / ferndale are as well as have a small business with my wife. I have experience with infill housing and an interest in figuring out how to get more housing in cities so my school aged children can hopefully afford to live in Whatcom County when they get out of school. I was born and raised in New Zealand and moved to Canada for College and see what effect the housing crisis has had on those two countries, housing ownership is now pretty much unattainable.

GURDEEP BAINS, CPA

Overview: I am a CPA with 20+ years experience working in the US, Canada and the UK. I started my career at KPMG and then moved into Banking where I was in various roles such as Head of Internal Audit, Corporate M&A. I then became CFO of Canada's largest independent Automotive Service Repair organisation where my role was to streamline operations and ensure the company was appropriately financed for structural changes that were occurring in the industry. I have worked for a variety of companies, including well established private & publicly traded companies as well as start ups. I have experience in the following industries: Banking, Distribution, Retail, Real Estate, Manufacturing. I am used to working in a fast paced environment, I learn quickly and can work with people of all backgrounds.
