FROM: Donnell "Tank" Tanksley, Sheriff 

RE: Body Scanners for the Jail and Work Center (RFP #24-29)

DATE: August 12, 2024

Enclosed are two (2) originals of a contract between Whatcom County and Linev Systems US, Inc. for your review and signature.

▪ **Background and Purpose**

Linev Systems US, LLC was selected through the evaluation process of RFP #24-29, Whole-Body Imaging Scanning Systems. These two (2) new body scanners will replace obsolete body scanners currently installed in the Jail and Work Center for which updated software is no longer available. These new scanners also include AI software that will provide detection of contraband otherwise undetectable in our current scanners.

▪ **Funding Amount and Source**

Funding for this purchase in the amount of \$440,000 was approved in the Jail Fund by Council on Supplemental IDs #2024-4204 and #2024-4317, and included on the Exhibit "B" Capital List during the Mid-biennium budget process as appropriated on Ordinance #2023-068.

▪ **Differences from Previous Contract**

This is a new contract.

Please contact Darrell Smith x6507, if you have any questions or concerns regarding the terms of this agreement.
