

**EMAIL SENT TO CHERRY POINT INDUSTRY REPRESENTATIVES NOVEMBER 29, 2018:**

Dear Cherry Point Industry Representatives:

Last week you received email notification of a County Council Special Committee of the Whole meeting scheduled for December 4. Please note the time of the meeting has been changed to **2:45 p.m.**

Cherry Point industry representatives are invited to attend the December 4 Special Committee of the Whole meeting and will be given time to provide additional explanation of written responses submitted in answer to insurance-related questions asked by Council earlier this year (questions attached).

Please let us know if you plan to attend the December 4 meeting, and if you would like time to present additional information to the Council. If you are unavailable to attend on the 4th, an additional meeting will likely be scheduled for **January 15, 2019**. If the January date works better for you, please let us know that, as well.

Thank you.

Council Staff.
