Application for Appointment to Whatcom County Boards and Commissions

RE: Alexandra Williams

10. Please describe your occupation, qualifications, professional and/or community activities, and education.

I am a current stay at home mom and part time worker at the Williams Blueberry farm. Before staying at home with my children I was a full-time bookkeeper for a local manufacturing company. I am a former Whatcom Community College honors graduate with a business degree. I currently hold a volunteer position on the WCC Business Advisory Committee, since 2020. I have been actively involved in my community over the last few years including volunteering at the Deming Log Show, a girl scout leader for my local troop, and over 5 years serving the Harmony Elementary PTO.

11. Please describe why you're interested in serving on this board or commission.

Serving on the flood committee would be an excellent service position for me as I reside in an area that was hit hard by the November '21 floods and currently has no representation in the subzone committees. We have a local dike district, but I feel that there should be a special representative for our area to have a voice in all future proceedings of flood management and control meetings. My home and family's livelihood depend on the future of the policies this committee will make.
