RE: Lake Whatcom Residential & Treatment Center – COVID-Related Support Services
DATE: August 31, 2020

Attached is a contract between Whatcom County and Lake Whatcom Residential & Treatment Center for your review and signature.

- **Background and Purpose**

This contract is in response to a notification from Whatcom County Health Department to core not-for-profit behavioral health and social service providers of federal grant funding available to help mitigate the impacts of COVID-19 on their organizations. Each respondent to the notification has worked with Health to specify COVID-related expenditure reimbursement needs. Lake Whatcom Residential & Treatment Center has been adapting to operational changes necessary to observe COVID-19 risk mitigation measures for their staff, residents and clients. The purpose of this contract is to provide reimbursement of losses incurred by decreased resident and client capacity due to halting new admissions, in order to ensure COVID-19 risk mitigation measures are achievable.

- **Funding Amount and Source**

Funding for this contract may not exceed \$100,000. Funds under the contract are made available by a grant awarded by the US Department of Treasury and subject to Section 601(a) of the Social Security Act, as amended by section 5001 of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), and Title V and VI of the CARES Act, passed through the Washington State Department of Commerce Local Government Coronavirus Relief Fund (CFDA 21.016). These funds are included in the 2020 budget. Council approval is required as funding exceeds \$40,000.
