DECEMBER 31, 2027**

**WHEREAS**, employees in certain County job classifications are unrepresented and do not engage in collective bargaining on matters relating to wages, benefits and other terms and conditions of employment; and

**WHEREAS**, unrepresented employees should be compensated, based on the concept of a salary matrix, within the proper range and step for authorized positions within the adopted biennial budget;

**WHEREAS**, it is intended that Administration will follow the policies set forth below; and

**WHEREAS**, it is nonetheless understood that state law may override certain stipulations set forth herein;

**THEREFORE, BE IT RESOLVED** by the Whatcom County Council the following personnel policies, conditions of employment, and salary matrices are hereby adopted.

**Section 1: APPLICABILITY**

Group B .....	FLSA Exempt
Group C .....	Flat Rate Prorated Positions (Court Reporter & Health Officer)
Group D .....	Court Commissioners

## **Section 2: SALARY PLAN**

### **Positions Eligible for Step Increases (Groups A, B, and E)**

Effective the first full pay period in 2026 (January 4, 2026), salaries shall be established within the ranges and steps provided in Addendum A.

Monthly salary amounts indicated are for one (1.0) FTE (full-time equivalent). On an annual basis, full-time equivalency is considered to be 2,080 hours, calculated as eight hours a day times five work days per week. Compensation for employees working less than full time is pro-rated based on a 40-hour work week. Monthly amounts may be converted to an hourly rate by dividing the monthly amount by 173.33.

Employees in Groups A, B and E are eligible to move up one step per year based on successful job performance. A performance evaluation must have been completed within the last year and the most recent evaluation rating must “exceed job requirements” overall to advance to the next step. Step movement will occur on the first day of the month of hire or the appropriate adjusted month.

### **Flat Rate Positions (Group C)**

The monthly salaries are flat rate as established in Addendum A and are prorated as follows:

	<b><u>FTE</u></b>	<b><u>Range</u></b>
Court Reporter	.875	801
Health Officer	.60	802

### **Court Commissioners (Group D)**

Court Commissioners are paid at a rate equivalent to a percentage of the comparable state judiciary level salary set by the Washington Citizens’ Commission on Salaries for Elected Officials to be effective July 1 of each year. If there is a change to the state judiciary salary level, salaries may be updated during the term of this Resolution.

	<b><u>% of Comp. Judge</u></b>	<b><u>Range</u></b>
Water Statutory Superior Court Commissioner	80%	902
Superior Court Commissioner	90%	903
District Court Commissioner	85%	904

### **Medical Examiner (Group F)**

The Medical Examiner is paid a monthly salary on a flat rate as established in Addendum A.

### **Elected Officials**

The Whatcom County Commission on Salaries for Elected Officials sets the salaries for the elected positions of Assessor, Auditor, Treasurer, Sheriff, Prosecuting Attorney, County Executive, and County Council. The District Court Judge salary is set by the Washington Citizens’ Commission on Salaries for Elected Officials.

### **Posting**

The most current salary Addendum A to this Resolution will be posted on the County’s website.

## **Section 3: COMPENSATION**

### **Overtime and Compensatory Time Pay (Group A)**

This section applies only to employees in Group A: FLSA Non-Exempt Employees. Such employees shall be paid overtime at the rate of time and one-half for any hours worked over 40 in one work week. Such employees may request compensatory time in lieu of overtime pay, up to a maximum of twenty-four (24) hours per calendar year. Additional compensatory time may be mutually agreed to, but an employee may accrue no more than a maximum of 80 hours of compensatory time at any time. All compensatory time earned under this section shall be cashed out each year in December in the last paycheck of the calendar year.

### **Promotion or Reclassification**

When an employee moves to a higher-level position through promotion or reclassification, they shall move to the step in the new range closest to but not below the step that provides at least a 5% wage increase. Reclassification must comply with the County policy on reclassifications (Policy [AD140150Z](#)).

The Executive may authorize placement at a step greater than the standard promotional increase to recognize outstanding performance as documented in recent performance evaluations, qualifications or experience significantly exceeding the minimum requirements, significant differentials in the duties of the position, and/or retention and recruitment needs. Department heads must complete a Request for Promotional Pay form and submit to Human Resources for review and recommendation to the Executive.

### **Position Movement to Lower Range**

Employees moving to a position in a lower range may have a salary adjustment up or down depending upon individual qualifications for the position, the nature of the work performed, and internal equity, with no change to the next step increase date.

### **Realignment**

If funding is available within the authorized budget, department heads can request realignment of positions which are paid at least three percent (3.00%) below the average of at least four (4) of the six (6) comparable counties (Benton, Cowlitz, Kitsap, Skagit, Thurston, Yakima). All comparable counties where matches exist must be used. Comparisons will be based on the top step hourly wage step. The realignment will occur in January following approval by the County Executive or designee of the written realignment request. Employees moving to a new range because of position or range realignment shall be placed in their current step (but no higher than the top step) one range above their current range. The effective date of the realignment shall become the step increase date.

### **Realignment Additional Considerations**

In the event the County identifies a position as one with documented recruitment and/or retention difficulties, realignment may be considered during the year if funding is available within the current year's budget for the department. Secondary comparables based on close geographical location may be considered and comparisons may be based on the entry step.

### **Interim Assignment Pay**

Employees may be asked to cover all or part of the duties of a higher-level position during periods of extended absence, vacancy, or for special assignments. In these instances, interim assignment pay may be awarded. Department heads must complete an "Interim Assignment Pay Authorization Form" and submit to Human Resources prior to making the assignment.

### **Cell Phone Stipend**

Department Heads may authorize a \$30 monthly stipend to compensate employees who use their personal cell phones for work-related tasks in support of County operations. This does not apply to those who have a County issued cell phone. Authorization must be submitted to Finance on a Cell Phone Stipend Agreement form.

### **Emergency Response Stipend**

FLSA overtime exempt employees, except for the Medical Examiner, authorized in advance and required to respond in person to extraordinary emergencies, working anytime between the hours of 9:00 p.m. and 6:00 a.m., Monday through Friday and any time on Saturday or Sunday, shall receive a \$250 stipend per incident. If an employee is not on a pre-approved absence, and response to an incident is during normal hours but extends to hours or days noted above, no stipend is awarded. If the incident extends beyond 24 hours from the first response by employee and additional responses are required during times or days noted above, depending upon circumstances or the ability to flex time, an additional stipend may be awarded. Employees are not eligible for an Emergency Response Stipend for work on a holiday.

Approval of an incident is provided by the department head or designee using the [Authorization for Emergency Response Stipend form](#). In the case of department heads, approval of an incident is provided by the County Executive or designee.

### **Paid Administrative Leave (Groups B and E)**

In recognition of the contributions unrepresented employees sometimes make in working far beyond the hours required in a regular work week, and the fact that FLSA-exempt employees do not get overtime or compensatory time, the County Executive or designee has authority to award deserving FLSA exempt employees in Groups B and E up to five (5) days of paid administrative leave per year. These days must be used in the year awarded unless County business prevents this occurring, in which case they can be carried over one year. Administrative leave may only be cashed out upon separation or upon request and approval by the County Executive. Approved requests shall be processed once per year and must be submitted on the same schedule as other end of year cash out requests.

### **Additional Compensation**

The County Executive or designee is empowered to authorize extra pay for unrepresented employees during a period of extraordinary circumstances (such as emergency conditions, a strike, etc.).

### **Merit Step Nomination**

Department Heads may nominate employees to the Executive or designee for a one-step adjustment in recognition of documented exemplary performance. This applies to employees who are not at the top wage step of their assigned range. Employees may be nominated one time per position held. A step adjustment for merit does not impact the step date.

### **Merit Step Documentation**

Documented exemplary performance for a merit step shall include a performance evaluation within the last year with an overall rating of at least “4.00” with no individual elements or sub-elements at or below the “needs improvement” level. Additional documentation must be in writing and shall include specific information as to the employee’s contribution:

- to achievement of some element or elements of the strategic plan;
- that has organization- or community-wide impact;
- to the completion of a specific, significant department project; or
- to a similar type of accomplishment.

Documentation shall include the funding available within the authorized department budget to support the request. Requests are submitted to Human Resources and require approval of the County Executive.

### **Attorney Probable Cause Compensation**

Any attorney in the Prosecuting Attorney’s Office required to appear on a weekend or holiday at a scheduled Probable Cause hearing shall receive \$250 for their appearance.

### **Attorney After-Hours Weekly Rotation**

Deputy Prosecuting Attorneys are assigned, on a rotating basis, to be accessible after work hours for a seven-day period of time to respond to and be available for time-sensitive court-related matters. After-hours weekly rotations are mandatory and assigned in advance; there is no lapse in after-hours coverage at any time. The weekly rotations are shared and each attorney will not work more than eight (8) weekly rotations in any one year.

To recognize the disruption caused by working weekly after-hour rotations, and the fact that attorneys are exempt from overtime and not compensated for overtime work, attorneys shall be granted the choice of **EITHER** twelve (12) hours of compensatory time off at the straight time rate for a weekly rotation **OR** a \$72 daily stipend as outlined below. If electing compensatory time off, employee must work all seven days of the rotation. Attorney positions eligible for compensatory time or stipend pay include:

- Deputy I
- Deputy II
- Senior Deputy
- Senior Deputy II

The Director and Chief Deputy in the Public Defender’s Office and the Chief Deputy and Assistant Chief Deputy in the Prosecuting Attorney’s Office may be included in the rotations as needed and will be eligible for the stipend or compensatory time off.

### **Attorney Compensatory Time**

Attorneys earn twelve (12) hours of compensatory time following each weekly rotation. Time is recorded as “compensatory time earned.”

Attorneys may request compensatory time to use in increments of not less than one hour whenever desired; however, approval will be subject to the same department process as used for vacation requests. Compensatory time is recorded as “compensatory time used.”

A maximum of 36 hours of compensatory time may accrue at any one time. Unused compensatory time may be carried forward at the end of the year.

Unused compensatory time will not be compensated, considered compensable, or credited for any purpose with the exception that it will be cashed out upon separation of employment.

### **Attorney Stipend**

Attorneys may elect to receive a \$72 daily stipend in lieu of compensatory time. On each day the attorney is required to be available to respond after hours, they will record the stipend on their time record for that day.

### **Undersheriff Duty Staff Officer Stipend (Group E)**

The Undersheriff is assigned, on a rotating basis, to be available to respond at any time to significant events including but not limited to: homicides, serious injury or death of Sheriff's Office personnel, shooting incidents involving Sheriff's Office personnel, major fires, civil disturbances, and/or other significant incidents. The Duty Staff Officer acts on behalf of the Sheriff and has commensurate authority as well as responsibility for law enforcement operations during their assigned rotation.

To recognize the disruption caused when assigned Duty Staff Officer, and the fact that the Undersheriff is exempt from overtime and not compensated for overtime work, following the completion of each weekly rotation, the Duty Staff Officer shall be granted the choice of either a \$400 stipend or ten (10) hours of compensatory time at the straight time rate. Compensatory time earned during the Duty Staff Officer rotation must be used within the calendar year earned. Unused compensatory time cannot be cashed out. There is no eligibility for an Emergency Response Pay Stipend during the Duty Staff Officer rotation.

### **Juvenile Detention After-Hours Weekly Rotation**

Designated managers assigned to respond to events in Juvenile Detention, including frequent, rapid, and in-person responses to meet minimum staffing requirements, shall receive a \$72 per day stipend. The stipend election will be recorded on each day of the after-hour assignment for their time record

### **Undersheriff Binding Arbitration Adjustment**

In recognition of the fact that four bargaining units within the Sheriff's Office have access to binding interest arbitration, the Undersheriff shall receive or be eligible for, on approximately the same basis as employees directly reporting to them, the following:

- Pay increases.
- The same basis for calculating longevity. Performance evaluation within last year must "exceed requirements" overall in order to be eligible for the Premium.
- The same annual clothing allowance if they must maintain a dress uniform.
- Medical coverage to the extent available.

If there is a collective bargaining agreement settlement, salary may change during the term of this Resolution.

## **Section 4: EMPLOYMENT**

### **Employment at Will**

Employment is at will, which means either the employee or the County can end the employment relationship without being legally required to give notice or a reason except as stipulated herein, by County policy, or by law.

### **Provisional Appointments**

The County may make provisional appointments for a candidate or employee who does not fully meet all requirements and qualifications of a position. Such appointments will be to a range lower than the posted position. Current employees promoting into a position on a provisional basis shall receive at least a 5% promotional increase and will not receive another promotional increase upon fully meeting posted requirements. When moved to the range of the posted position, they will be placed in the step closest to but not less than their then-current rate of pay and will maintain their step increase date.

### **Direct Deposit**

All newly hired regular employees shall authorize payment by Direct Deposit within thirty (30) days of employment. Employees may temporarily stop Direct Deposit in emergency situations with at least seven (7) days' notice before a scheduled payday, but must restart within three months.

### **Ability to Cross Border**

Employees must maintain the ability to cross the Canadian border if they are assigned to a position which may at any time require crossing between the United States and Canada. The consequence for employees who become ineligible to cross the border will be determined on a case-by-case basis.

### **Disciplinary Suspensions**

If a FLSA-exempt employee is subject to unpaid disciplinary suspension, it shall be in increments of full work-weeks, unless the infraction leading to the suspension is for a violation of a safety rule of major significance.

## **Section 5: SCHEDULING (Groups A and B)**

### **Work Schedule**

The basic workweek shall consist of seven consecutive days beginning on Sunday at 12:00 a.m. and ending on Saturday at midnight. The normal work schedule shall customarily be eight (8) hours per day and five (5) consecutive days per week. Hours of operation may vary between departments and divisions in order to better serve the public.

### **Alternative Schedules**

Either an employee or the County may request an alternative schedule which modifies the hours and the basic workday or workweek from the department standard to attend to County business or to accommodate a different schedule. Alternative scheduling requires the mutual agreement of the employee and the department head. FLSA non-exempt (overtime eligible) employees shall document their written agreement to vary the basic workweek (i.e. 9/80 schedule) and must not exceed 80 hours in a pay period. FLSA non-exempt employees may not accumulate or not take lunch and/or rest breaks in order to shorten the workday or work week.

### **Flex Time**

By mutual agreement of the employee and the department head or designee, and prior approval, employees may flex their time in order to attend to personal matters. Flex time may also be used following an emergency response, to attend meetings, or otherwise perform work on behalf of the County. Approval of flex time for FLSA non-exempt employees shall not allow for greater than forty (40) hours of compensation in any one work week, shall provide for no reduction in service to the public, and must not increase the County's compensation costs. FLSA non-exempt employees may not accumulate or skip lunch or rest breaks in order to shorten the workday or work week.

## **Section 6: LEAVES**

### **Paid Time Off (PTO) Bank (Groups A, B, E, Health Officer and District Court Commissioner )**

Recent developments in state paid leave law, and a desire to offer our employees more flexibility in how they utilize their accruals, have led us to make a change in our accrual system. Beginning January 2023, all eligible employees will, in lieu of accruing vacation, sick and personal holiday, accrue time into a Paid Time Off (PTO) bank.

#### **PTO Accrual**

Accruals for 1.0 FTEs are subject to meeting benefits eligibility as referenced in Section 7 and will be in accordance with the following schedule with the first employment year being the year hired and subsequent employment years being the first of the year. Employees appointed to an Unrepresented position will have their accrued and available vacation hours placed in a PTO bank.

<b><u>Employment Year</u></b>	<b><u>Accrual Rate/Month</u></b>
1 <sup>st</sup> – 4 <sup>th</sup> year	18.00 hours
5 <sup>th</sup> – 9 <sup>th</sup> year	21.33 hours
10 <sup>th</sup> + year	24.67 hours

During 1 <sup>st</sup> through 4 <sup>th</sup> employment year	21.33 hours
During 5 <sup>th</sup> and subsequent years	24.67 hours

Prior regular County employment may be considered when determining employment year as well as prior related public service employment. Exceptions for prior related public service require submittal to Human Resources and Executive approval.

**Paid Time Off Bank Carryover/Cash Out**

No more than 330 PTO hours at the end of the business day on December 31 can be carried over to the following calendar year; any additional hours are forfeited. If funds exist in the department's current budget, by mutual agreement among the impacted employee, the department head (if applicable) and the County Executive or designee, up to 40 hours of PTO anticipated to be above the 330 hours carry over maximum can be cashed out each calendar year. Requests for cash out must be submitted by November 30 and will be paid in December. Upon separation, hours in the PTO bank will be cashed out at 100%.

**Paid Time Off Cash Out for 15+ Year Employees**

Employees who have been employed by the County for 15 or more continuous years, may cash out up to 40 hours of PTO annually regardless of PTO balance. Requests for cash out must be submitted by November 30 and will be paid in December.

**PTO Leave Sharing**

Employees may donate any amount of Paid Time Off each year to employees eligible to receive leave donations. (Policy [AD139500Z](#))

Employees with three (3) or more years of current continuous employment with the County shall be entitled to sick leave cash out upon voluntary separation, layoff or death, in the amount of twenty-five percent (25%), or fifty percent (50%) if hired before May 15, 1984. Employees must give at least two (2) weeks' notice prior to separation to be eligible for sick leave cash out.

### **Holidays**

Whatcom County follows the [State holiday schedule](#) (RCW 1.16.050) in addition to the day before Christmas. Paid holidays will be posted on an annual basis. Employees who are required to work on a holiday shall receive compensatory time at the rate of two hours for each hour worked, in addition to holiday pay. Employees are not eligible for an Emergency Response Stipend for work on a holiday. Compensatory time can be used at a mutually agreeable time. Unused compensatory time earned before December 31 shall be carried forward and must be used in the following year. Employees unable to use compensatory time by the end of the following year due to a County emergency are eligible to carry the hours forward for one additional year. Unused compensatory time earned under this provision will be cashed out upon separation of employment.

### **Family Leave**

The County provides unpaid leave to any eligible employee covered by this Resolution, consistent with state and federal laws. Employees are not required to use accrued leave before commencing unpaid family leave. If leave pursuant to FMLA stipulations would also qualify as leave under any other County benefit, policy or type of leave, the period of the FMLA leave will run concurrently as permitted by law and will apply toward an employee's entitlement for each type of leave that may be applicable.

### **Maternity/Paternity Leave**

## **Addendum B**

### **Section 1:**

#### **Sick Leave: Superior Court Commissioners, Court Reporters and District Court Judge**

##### **Sick Leave Accruals**

For the purpose of sick leave benefits, sick leave shall accrue to each 1.0 FTE employee from their date of hire in the amount of eight (8) hours for each month of employment, if benefits eligibility criteria are met, to a maximum of nine hundred and sixty (960) hours except as outlined below.

##### **District Court Judge**

Pursuant to RCW 3.34.100, District Court Judges shall accrue sick leave at the same rate as other county employees to a maximum of nine hundred and sixty (960) hours at the end of the business day on December 31 which shall be allowed to accrue up to one thousand and fifty-six (1,056) hours (960 + up to 96 hours annual accrual) of sick leave during the following year. The maximum reverts back to no more than nine hundred and sixty (960) hours at the end of the business day on December 31. Additionally, District Court Judges will receive thirty (30) days' annual leave each January 1. Annual leave cannot be carried forward to the next year. When a District Court Judge vacates office, the total remuneration for annual leave and sick leave shall be granted as allowed by [RCW 3.34.100](#), and shall not exceed the equivalent of thirty (30) days' monetary compensation.

##### **Sick Leave Accrual Maximum**

Employees who have accrued nine hundred and sixty (960) hours at the end of the business day on December 31 shall be allowed to accrue up to one thousand and fifty-six (1,056) hours (960 hours + up to 96 hours annual accrual) of sick leave during the following year. These additional hours of accrual may not be cashed out. The employee's total accrual reverts back to no more than nine hundred and sixty (960) hours at the end of the business day on December 31.

##### **Excess Sick Leave Contributions**

Employees who have at least 960 hours in their sick leave bank at the beginning and end of the calendar year (or at the beginning of a calendar year and upon termination in that same year) will receive a contribution into their 457 deferred compensation plan based upon a portion of the hours accrued but not used during the year. Sick leave hours accrued to a maximum of forty-eight (48) hours, minus hours used, multiplied by 25%, multiplied by the hourly rate at year-end, equals the 457 contribution. Employees eligible for a contribution must be enrolled in a 457 deferred compensation plan prior to February 1 of the following year (or at termination, if earlier) to receive the contribution, or the 457 contribution will be forfeited.

##### **Sick Leave Usage**

Eligible employees may request sick leave as accrued and may use it in increments of less than one scheduled workday for a covered purpose (Policy [AD139400Z](#)).

### **Sick Leave Verification**

Following more than three consecutive days of absence, an employee may be requested to provide verification that the leave was for an eligible reason (Policy [AD139400Z](#)).

### **Sick Leave Cash Out**

Employees with three (3) or more years of current, continuous employment with the County shall be entitled to sick leave cash out upon voluntary separation, layoff or death in the amount of twenty-five (25%) percent, or fifty (50%) percent if hired before May 15, 1984, of accrued hours up to a maximum of 960 hours. Employees must give at least two (2) weeks' notice prior to separation to be eligible for sick leave cash out.

**Leave Sharing Program.** Employees may donate any amount of accrued sick leave each year to employees eligible to receive leave donations (Policy [AD139500Z](#)).

## **Section 2: Paid Time Off District Court Commissioner**

The District Court Commissioner shall be eligible for the same combined PTO leave as other Unrepresented employees and as outlined in Section 6 Leaves of the Unrepresented Resolution.

## **Section 3: Paid Time Off Medical Examiner**

The Medical Examiner shall accrue time into a Paid Time Off (PTO) bank in the amount of 20.00 hours per month. Accruals are subject to meeting benefits eligibility as referenced in Section 7. PTO hours may be requested and used as accrued and approved. No more than 330 PTO hours at the end of the business day on December 31 can be carried over to the following calendar year; any additional hours are forfeited. If funds exist in the department's current budget and with County Executive approval, up to 40 hours of PTO anticipated to be above the 330 hours carry over maximum can be cashed out each calendar year. Requests for cash out must be submitted by November 30 and will be paid in December. Upon separation, hours in the PTO bank will be cashed out at 100%.
