RE: Compass Health – Crisis Stabilization Center Lease Agreement for Mental Health Services

DATE: OCTOBER 21, 2025

Attached is a Lease agreement between Whatcom County and Compass Health for your review and signature.

- **Background and Purpose**

This agreement outlines the roles and responsibilities for leasing County-owned space in the Crisis Stabilization Center, known as the Anne Deacon Center for Hope and located at 2026 Division Street in Bellingham. Within the leased treatment unit and associated common spaces and as a condition of tenancy, the Lessee will provide mental health treatment services to adults aged 18 and older who are experiencing mental health distress or crisis.

The County has prioritized the need to divert individuals from arrest and into treatment whenever appropriate, in order to reduce incarceration while improving the health and wellness of adults experiencing behavioral health crises. Additionally, the County seeks to divert individuals from Emergency Medical Services, to include the hospital emergency department, and into appropriate and less costly services that will provide mental health stabilization services and connection to ongoing treatment.

- **Funding Amount and Source**

Rent will be paid to the County at a rate of \$2,000/month for an annual amount of \$24,000. Utilities are not included in this agreement and will be paid (in equal, one-third (1/3) shares by the other lease holders) by the Lessee directly to the utility companies. This revenue is included in the 2026 budget. WCC 3.08.100 requires all real property Lease agreements to be approved by Council.

- **Differences from Previous Contracts**

This is a new agreement; however, Compass Health has Leased this space for the same purpose since 2021. This agreement includes no significant changes from the agreement ending on 12/31/2025 (WC Contract #202012041).
