EXHIBIT A STATEMENT OF WORK

I. Background and Purpose

The local Behavioral Health sales tax supports a range of services throughout Whatcom County, including prevention activities. The sales tax reserves are expected to reach just over \$9M by the end of 2023, in part due to higher than expected overall sales tax revenues and in part because of COVID service restrictions and staffing shortages among behavioral health providers. In addition, funds were held in reserves for a to-be-determined capital project and for general operating reserves.

Data from surveys and other collection tools show that youth suffer from a variety of behavioral health concerns including depression, anxiety and substance use. Youth mental health is a priority from a public health perspective to avoid or mitigate continued suffering and poor health over the life course. The magnitude of challenges associated with youth mental health in Whatcom County is supported in recent years by data from the Healthy Youth Survey, Community Health Assessment, and COVID Health Impact Assessment.

This agreement provides funding for two, .5 Mental Health Professionals in the Nooksack Valley School District for the 2023-2024, 2024-2025 and 2025 – 2026 school years.
