EXHIBIT "A" – Amendment #3
(SCOPE OF WORK)

I. Background

The 2020 Whatcom County Point In Time Count confirmed that unsheltered homelessness continues to be detrimental to the wellbeing of families with children in Whatcom County. The Whatcom Homeless Service Center's monthly housing pool reports have shown that the number of families waiting for permanent housing placements, including families living in cars and other places not meant for human habitation, has grown in recent years. Homelessness is a traumatic experience that is associated with a wide range of negative health outcomes; however there are very few resources in our community dedicated to families who are experiencing homelessness together. This contract provides year-round funding for four motel rooms and additional funding for as-needed motel rooms to be used as emergency housing for families experiencing unsheltered homelessness and also funds supportive services to help those families exit their motel rooms into permanent housing. The shelter provided to these families, as well as the case management services, will allow them to avoid the dangerous conditions of unsheltered homelessness and give them opportunities to connect with services that improve their odds of achieving long term housing stability.

II. Statement of Work

Lydia Place will utilize funding in this contract to make four motel rooms available throughout the year, and more rooms on an as-needed basis to local families with children who are experiencing unsheltered homelessness. The anticipated number of families to be served is between 40 and 60 households. While the families are staying in the motel rooms, they will benefit from supportive services from Lydia Place staff who will help the families identify and overcome their barriers to stable housing.

Lydia Place staff will connect clients to case managers within 48 hours of their referral from Whatcom County's coordinated entry homelessness response system. Weekly meetings between families and Lydia Place staff will outline goals and objectives that are important to the client. The program will strive to find permanent housing within 30 days, although some families will require more time to locate appropriate housing and resolve challenges to housing placement.

III. Program Requirements

Client referrals will be issued by the Whatcom Homeless Service Center's coordinated entry homelessness response system. All services will be provided in compliance with the Washington State Department of Commerce guidelines for the shelter program grant, as found here: <https://www.commerce.wa.gov/serving-communities/homelessness/office-of-family-and-adult-homelessness/shelter-program-grant/>, and the Washington State Department of Commerce ESG-CV Emergency Solutions Grant Guidelines, including periodic updates to the guidelines which can be accessed at: [https://www.commerce.wa.gov/wp-content/uploads/2020/06/Commerce-ESG-CV - Overview.pdf](https://www.commerce.wa.gov/wp-content/uploads/2020/06/Commerce-ESG-CV-Overview.pdf) and <https://www.commerce.wa.gov/wp-content/uploads/2016/10/hau-esg-guidelines-2017-2019.pdf>.

IV. Reporting Requirements

The contractor shall submit quarterly reports* utilizing the Interim Housing Facility Report template accessed on the Whatcom County Health Department Housing Program website at the following link: <https://www.whatcomcounty.us/DocumentCenter/View/51905/WCHDQuarterlyESreportLPmotelshelter>

Quarterly reports are due April 15th, July 15th, October 15th, and January 15th.

*Contractors will be notified via email of updates to this quarterly reporting template, which will be posted on the website.

Reports will include the following information:

- A. Unique households sheltered over the quarter.
- B. Number of nights that the four rooms were in use.
- C. Length of stay for each household at their time of exit (mean and median).
- D. Percent of exiting guests that are enrolled or participated in new activities/programs that have been shown to increase housing retention.
- E. Number of exits over the quarter and the destination type for each exiting household.
- F. Number of new households that became sheltered over the quarter and the type of housing condition they were in prior to entry to motel room.
