Such conditions include:

- a. Subrecipient shall operate and maintain grant funded equipment in accordance with all applicable Federal, State, and local laws, orders, regulations and permits.
- b. Law Enforcement vessels shall be operated by trained personnel with a valid State of Washington Boater Education Card or equivalent and be a graduate of State Parks Basic Marine Law Enforcement Academy or equivalent.
- c. Law Enforcement vessels shall be equipped with all federally required safety equipment and provide and ensure appropriate personal flotation devices are worn at all times when on the vessel or dock.
- d. All law enforcement vessels shall have a routine schedule for maintenance.
- e. As a condition of receiving the grant funds, Subrecipient shall actively maintain the vessel for the full design life of the equipment provided from this grant.
- f. Subrecipient shall be responsible for all operation, maintenance, and repair of all vessels and equipment provided from this grant.

13.6 Equipment Replacement. When original or replacement equipment acquired under this award is no longer needed or the Subrecipient is no longer able to support the RBS mission and the disposition occurs during the grant period, disposition of the equipment shall be made as follows:

- a. The equipment may be transferred at no cost to another law enforcement agency with a State Parks approved marine law enforcement program (e.g., city or county law enforcement agency) if such equipment will remain dedicated to the MLE program. The conditions for such transfer shall be stipulated by MLE and shall include the same requirements as those imposed in the original grant. Any cash or in-kind match paid when the equipment was purchased will be forfeited.
- b. If the equipment cannot be transferred to another law enforcement agency with an MLE program, it must be sold at the discretion of MLE, and the Subrecipient shall pay MLE the proceeds of the sale or the fair market value of the equipment, whichever is the greatest.

13.7 Equipment Breakdown. In the event an equipment breakdown occurs during the grant period, Subrecipient shall notify MLE within ten (10) working days of breakdown. If repair is anticipated to cost up to \$1,000.00, the repair must be complete within 30 days. If the repair is anticipated to cost more than \$1,000.00, the repair must be completed within 60 days. A written repair plan must be submitted via email to MLE within two (2) weeks of the breakdown describing the problem(s), repair(s), and the anticipated cost(s).

Failure to notify MLE of equipment breakdown and repair plans may result in withholding of grant funds.

13.8 Accident Report

Any boater, including the Subrecipients or the Subrecipient's staff, who are involved in an accident must stop their vessel and assist injured people or anyone in danger, unless doing so would endanger their own vessel or passengers.

In some circumstances, the vessel operator must submit a written accident report. Accident report forms are available from Washington State Parks and local law enforcement marine units. Washington State law

requires the recreational vessel operator involved in an accident to file a Washington Boat Accident Report when: loss of life occurs, injury occurs requiring medical treatment beyond first aid, someone disappears and they may be injured or deceased, or property damage occurs valued at more than \$2,000.

If there is an injury, disappearance, or death, the report must be submitted within 48 hours. Reports on other accidents must be submitted within 10 days. If the operator cannot submit the report, the owner of the vessel is responsible.

Reports must be submitted to the law enforcement agency that has jurisdiction where the accident occurred. If you are not sure what agency has the authority, contact the Washington State Boating program by email (boatlaw@parks.wa.gov) or call (360) 902-8555.

SECTION 14: Contribution on Third Party Claims

- 14.1** If any third party makes any claim or brings any action, suit or proceeding alleging against a Party (the "Notified Party") with respect to which the other Party (the "Other Party") may have liability, the Notified Party shall promptly notify the Other Party in writing of the Third Party Claim and deliver to the Other Party, along with the written notice, a copy of the claim, process and all legal pleadings with respect to the Third Party Claim that have been received by the Notified Party. Each Party is entitled to participate in the defense of a Third-Party Claim, and to defend a Third-Party Claim with counsel of its own choosing. Receipt of notice of the claim and the opportunity to participate are both precedent to the Other Party's obligation in regards to the Third-Party Claim.
- 14.2** With respect to a Third Party Claim for which MLE is jointly liable with Subrecipient (or would be if joined in the Third Party Claim), MLE shall contribute to the amount of expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred and paid or payable by Subrecipient in such proportion as is appropriate to reflect the relative fault of each party in connection with the events under claim, as well as any other relevant equitable considerations. The relative fault of each party shall be determined by reference to, among other things, the Parties' relative intent, knowledge, access to information and opportunity to correct or prevent the circumstance. MLE's contribution amount in any instance is capped to the same extent it would have been capped under Washington law if the State had sole liability in the proceeding.

SECTION 15: Subrecipient Default

- 15.1** Subrecipient will be in default under this Agreement upon the occurrence of any of the following events:
- 15.1.1** Subrecipient fails to perform, observe, or discharge any of the covenants, agreements, or obligations under this Agreement
- 15.1.2** Any representation, warranty or statement made by Subrecipient in this Agreement or in any documents or reports relied upon by MLE to measure the delivery of services, the expenditure of funds or the performance by Subrecipient is untrue in any material respect when made
- 15.1.3** Subrecipient (a) applies for or consents to the appointment of, or taking of possession by, a receiver, custodian, trustee, or liquidator of itself or all of its property, (b) admits in writing its inability, or is generally unable, to pay its debts as they become due, (c) makes a general assignment for the benefit of its creditors, (d) is adjudicated a bankrupt or insolvent, (e) commences a voluntary case under the Federal Bankruptcy Code (as now or hereafter in effect), (f) files a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding-up, or composition or adjustment of debts, (g) fails to controvert in a timely and appropriate manner, or acquiesces in writing to, any petition filed against it in an involuntary case under the Bankruptcy Code, or (h) takes any action for the purpose of effecting any of the foregoing; or
- 15.1.4** A proceeding or case is commenced, without the application or consent of Subrecipient, in any court of competent jurisdiction, seeking (a) the liquidation, dissolution or winding-up, or the composition or readjustment of debts of Subrecipient, (b) the appointment of a trustee, receiver, custodian, liquidator, or the like of Subrecipient or of all or any substantial part of its assets, or (c) similar relief in respect to Subrecipient under any law relating to bankruptcy, insolvency,

reorganization, winding-up, or composition or adjustment of debts, and such proceeding or case continues undismissed, or an order, judgment, or decree approving or ordering any of the foregoing is entered and continues unstayed and in effect for a period of sixty consecutive days, or an order for relief against Subrecipient is entered in an involuntary case under the Federal Bankruptcy Code (as now or hereafter in effect).

SECTION 16: Indemnification

To the fullest extent permitted by law, Subrecipient shall indemnify, defend, and hold harmless State, agencies of State and all officials, agents and employees of State, from and against all claims for injuries or death arising out of or resulting from the performance of the contract. "Claim," as used in this contract, means any financial loss, claim, suit, action, damage, or expense, including but not limited to attorney's fees, attributable for bodily injury, sickness, disease, or death, or injury to or destruction of tangible property including loss of use resulting therefrom.

Subrecipient's obligation to indemnify, defend, and hold harmless the State shall not be eliminated by any actual or alleged concurrent negligence of State or its agents, agencies, employees and officials. However, Subrecipient is not obligated to indemnify, defend, and hold harmless state for claims or injuries to the extent attributable to the negligence of state or its agents, agencies, employees, or officials.

Subrecipient expressly agrees to indemnify, defend, and hold harmless the State for any claim arising out of or incident to Subrecipient's or any subcontractor's performance or failure to perform the contract.

Subrecipient waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend, and hold harmless State and its agencies, officials, agents or employees.

SECTION 17: Insurance Requirements

The Subrecipient shall provide insurance coverage as set out in this section. The intent of the required insurance is to protect the state should there be any claims, suits, actions, costs, damages, or expenses arising from any negligent or intentional act or omission of the Subrecipient or subcontractor, or agents of either, while performing under the terms of this contract.

The Subrecipient shall provide insurance coverage, which shall be maintained in full force and effect during the term of this contract, as follows:

1. Commercial General Liability Insurance Policy. Provide a Commercial General Liability Insurance Policy, including contractual liability, in adequate quantity to protect against legal liability arising out of contract activity but no less than \$1,000,000 per occurrence. Additionally, the Subrecipient is responsible for ensuring that any subcontractors provide adequate insurance coverage for the activities arising out of subcontracts.
2. Automobile Liability. In the event that services delivered pursuant to this contract involve the use of vehicles, either owned or unowned by the Subrecipient, automobile liability insurance shall be required. The minimum limit for automobile liability is \$1,000,000 per occurrence, using a Combined Single Limit for bodily injury and property damage.

The insurance required shall be issued by an insurance company/ies authorized to do business within the state of Washington, and shall name the state of Washington, its agents and employees as additional insureds under the insurance policy/ies. All policies shall be primary to any other valid and collectable insurance. Subrecipient shall instruct the insurers to give State Parks thirty (30) calendar days advance notice of any insurance cancellation.

- 17.1 Industrial Insurance Coverage.** The Subrecipient shall comply with the provisions of Title 51 RCW, Industrial Insurance. If the Subrecipient fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees, as may be required by law, State Parks may collect from the Subrecipient the full amount payable to the Industrial Insurance accident fund. State Parks may deduct the amount owed by the Subrecipient to the accident fund from the amount payable to the Subrecipient by State Parks under this contract, and transmit the deducted amount to the Department of Labor and Industries, (L&I) Division of Insurance Services. This provision does not waive any of L&I's rights to collect from the Subrecipient.

SECTION 18: Disputes

Except as otherwise provided in this contract, when a dispute arises between the parties and it cannot be

resolved by direct negotiation, either party may request a dispute hearing with an Agent as follows:

1. The request for a dispute hearing must:
 - Be in writing;
 - State the disputed issue(s);
 - State the relative positions of the parties;
 - State the Subrecipient's name, address, and contract number; and
 - Be mailed to the Agent and the other party's (respondent's) contract manager within 3 working calendar days after the parties agree that they cannot resolve the dispute.
2. The respondent shall send a written answer to the requester's statement to both the agent and the requester within 5 working calendar days.
3. The Agent shall review the written statements and reply in writing to both parties within 10 working days. The Agent may extend this period if necessary by notifying the parties.
4. The parties agree that this dispute process shall precede any action in a judicial or quasi-judicial tribunal.

Nothing in this contract shall be construed to limit the parties' choice of a mutually acceptable ADR method in addition to the dispute resolution procedure outlined above.

SECTION 19: Termination

- 19.1 Termination for Convenience.** Either party may terminate this Agreement at any time upon thirty (30) days prior written notice to the other party. If this contract is so terminated, State Parks shall be liable only for the payment required under the terms of this contract for services rendered or goods delivered prior to the effective date of termination.
- 19.2 Termination Because of Inefficiency.** Use of federal funds demands good stewardship. MLE will monitor the ongoing performance of the subrecipient through its reporting into the MLE Statement of Activity Reporting (SOAR) system. If in MLE's opinion, these metrics demonstrate poor stewardship, the agreement may be terminated. If feasible, MLE may work with the Subrecipient and give the Subrecipient an opportunity to improve the metrics.
- 19.3 Termination Because of Non-Appropriation or Project Ineligibility.** MLE may modify or terminate this Agreement at any time upon 30 days prior written notice to the Subrecipient, if:
 - a. MLE fails to receive funding or allotments, appropriations, limitations, or other expenditure authority at levels sufficient to pay for the Project to be funded hereunder or should any state law, regulation, or guideline be modified, changed, or interpreted in such a way that the Project, or any portion of the Project, is no longer eligible for these grant funds.
 - b. In the event insufficient funds are appropriated for the payments under this Agreement and the Subrecipient has no other lawfully available funds, then the Subrecipient may terminate this Agreement at the end of the current federal fiscal year, with no further liability to MLE. The Subrecipient shall deliver written notice to MLE of such termination no later than 30 days from the determination of the event of non-appropriation. MLE shall pay for all authorized Project costs expended up to the date of written notice of termination.
- 19.4 Termination for Default.** MLE, at any time upon 30 days prior written notice of default to the Subrecipient, may modify or terminate this Agreement if:
 - a. The design and implementation of the Project is not pursued with due diligence; or
 - b. The Project is not permissible under federal, state, or local law; or
 - c. The Subrecipient, does not abide by the nondiscrimination and affirmative action provisions of this Agreement; or
 - d. The Subrecipient, without the prior written approval, uses the funds provided to pursue any project other than that described by this agreement; or
 - e. During the term of this Agreement, the Subrecipient fails to perform any obligation or requirement of this Agreement.
 - f. The Subrecipient defaults under any other agreement between the Parties.
- 19.5 Rights and Remedies.**
 - a. The Subrecipient shall, within 30 days of its receipt of a notice of default, reimburse MLE for all funds contributed by MLE to the Project. Further, MLE shall have any and all rights and

remedies available at law or in equity.

- b. In the event that Subrecipient has materially failed to comply with this Agreement and such non-compliance has resulted in the Federal Funding Agency terminating MLE's grant or cause or requires MLE to return funds to the Federal Funding Agency, Subrecipient will return to MLE an amount equal to the funds which MLE is not reimbursed for or is required to return to Federal Funding Agency.

SECTION 20: Amendments

The terms of this Agreement may not be altered, modified, supplemented, or otherwise amended, except by written agreement of the Parties.

This agreement may be amended only by mutual agreement of the parties in writing. Formal written amendment of the contract is required for changing the terms and conditions specifically stated in the original agreement and any prior amendments, including but not limited to:

- Budget revisions
- Scope of work
- Change in due dates
- Extensions of the period of performance
- Any other revisions determined material by MLE

SECTION 21: Notice

Except as otherwise expressly provided in this Agreement, any notices to be given relating to this Agreement must be given in writing by email, personal delivery, or postage prepaid mail, to the Authorized Representative identified in *Section 6 – Authorized Representatives*. Any notice so mailed becomes effective five (5) days after mailing. Any notice given by email or personal delivery becomes effective when delivered.

SECTION 22: Survival

All rights and obligations of the Parties under this Agreement will cease upon termination of this Agreement, other than the rights and obligations that by their express terms survive termination; if termination of this Agreement will not prejudice any rights or obligations accrued to the Parties prior to termination.

SECTION 23: Severability

The Parties agree that if any term or provision of this Agreement is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected, and the rights and obligations of the Parties will be construed and enforced as if the Agreement did not contain the particular term or provision held to be invalid.

SECTION 24: Counterparts

This Agreement may be executed in several counterparts, all of which when taken together shall constitute one agreement, notwithstanding that all Parties are not signatories to the same counterpart. Each copy of the Agreement so executed constitutes an original.

SECTION 25: Compliance With Law

- 25.1 Compliance with Law Generally.** Subrecipient shall comply with all federal, state, and local laws, regulations, executive orders, and ordinances applicable to Subrecipient and the Agreement.
- 25.2 Penalty of Perjury.** By its execution of this Agreement, Subrecipient certifies under penalty of perjury under the laws of the state of Washington the truthfulness, completeness, and accuracy of any statement or claim it has made, it makes, it may make, or causes to be made that pertains to this Agreement.
- 25.3 Tax Compliance.** Subrecipient must comply with the tax laws of this state and the applicable tax laws of any political subdivision of this state. For the purposes of this section, "tax laws" includes: (i) All tax laws of this state; (ii) Any tax provisions imposed by a political subdivision of this state that applied to Subrecipient, to Subrecipient's property, operations, receipts, or income, or to Subrecipient's performance of or compensation for any work performed by Subrecipient; (iii) Any tax provisions imposed by a political subdivision of this state that applied to Subrecipient, or to goods, services, or property, whether tangible or intangible, provided by Subrecipient; and (iv) Any rules, regulations, charter provisions, or ordinances that implemented or enforced any of the foregoing tax laws or provisions.

Any failure to comply with the provisions of this section constitutes a material breach of this Agreement. Any failure to comply with Subrecipient's certifications shall constitute a material breach of this Agreement. Any failure to comply shall entitle MLE to terminate this Agreement, to pursue and recover any and all damages that arise from the breach and the termination of this Agreement, and to pursue any or all of the remedies available under this Agreement, at law, or in equity, including but not limited to:

SECTION 26: Persons Not to Benefit

No member of or delegate to Congress, resident commissioner, officer, agent or employee of the United States of America, member of the Washington Legislative Assembly, elected official of the state of Washington, or official, agent, or employee of the state of Washington, or elected member, officer, agent, or employee of any political subdivision, municipality or municipal corporation of the state of Washington shall be admitted to any share or part of this Agreement or derive any financial benefit that may arise therefrom.

SECTION 27: Nondiscrimination

a. Nondiscrimination Requirement. During the term of this Contract, Contractor, including any subcontractor, shall not discriminate on the bases enumerated at RCW 49.60.530(3). In addition, Contractor, including any subcontractor, shall give written notice of this nondiscrimination requirement to any labor organizations with which Contractor, or subcontractor, has a collective bargaining or other agreement.

b. Obligation to Cooperate. Contractor, including any subcontractor, shall cooperate and comply with any Washington state agency investigation regarding any allegation that Contractor, including any subcontractor, has engaged in discrimination prohibited by this Contract pursuant to RCW 49.60.530(3).

c. Default. Notwithstanding any provision to the contrary, Agency may suspend Contractor, including any subcontractor, upon notice of a failure to participate and cooperate with any state agency investigation into alleged discrimination prohibited by this Contract, pursuant to RCW 49.60.530(3). Any such suspension will remain in place until Agency receives notification that Contractor, including any subcontractor, is cooperating with the investigating state agency. In the event Contractor, or subcontractor, is determined to have engaged in discrimination identified at RCW 49.60.530(3), Agency may terminate this Contract in whole or in part, and Contractor, subcontractor, or both, may be referred for debarment as provided in RCW 39.26.200. Contractor or subcontractor may be given a reasonable time in which to cure this noncompliance, including implementing conditions consistent with any court-ordered injunctive relief or settlement agreement.

d. Remedies for Breach. Notwithstanding any provision to the contrary, in the event of Contract termination or suspension for engaging in discrimination, Contractor, subcontractor, or both, shall be liable for contract damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, which damages are distinct from any penalties imposed under Chapter 49.60, RCW. Agency shall have the right to deduct from any monies due to Contractor or subcontractor, or that thereafter become due, an amount for damages Contractor or subcontractor will owe Agency for default under this provision.

SECTION 28: Intended Beneficiaries

MLE and Subrecipient are the only parties to this Agreement and are the only parties entitled to enforce its terms. Nothing in this Agreement provides, is intended to provide, or may be construed to provide any direct or indirect benefit or right to third persons unless such third persons are individually identified by name herein and expressly described as intended beneficiaries of this Agreement.

SECTION 29: Force Majeure

Neither Party is responsible for any failure to perform or any delay in performance of any obligations under this Agreement caused by fire, civil unrest, labor unrest, natural causes, or war, which is beyond that Party's reasonable control. Each Party shall, however, make all reasonable efforts to remove or eliminate such cause of failure to perform or delay in performance and shall, upon the cessation of the cause, diligently pursue performance of its obligations under this Agreement. MLE may terminate this Agreement upon written notice to Subrecipient after reasonably determining that the failure or delay will likely prevent successful performance of this Agreement.

SECTION 30: Assignment and Successors in Interest

Subrecipient may not assign or transfer its interest in this Agreement and any attempt to do so will be void and of no force or effect. The provisions of this Agreement will be binding upon and inure to the benefit of the Parties hereto, and their respective successors, including Federal provisions contained in Exhibit B.

SECTION 31: Subcontracts & Sub-Grants

Subrecipient shall not, without MLE's prior written consent, enter into any subcontracts for any of the work required of Subrecipient under this Agreement. Subrecipient's consent to any contract, subcontract, sub-award will not relieve Subrecipient of any of its duties or obligations under this Agreement.

Any sub grant entered into under this Agreement shall contain terms and conditions substantially similar to this Agreement, including Federal provisions contained in Exhibit A. Any sub grant shall insure:

- a. If the subgrant is not to a unit of Washington State government, the agreement shall require the subgrantee to indemnify, defend, save and hold harmless the State of Washington and its officers, employees, and agents ("indemnitee") from and against any and all claims, actions, liabilities, damages, losses or expenses arising from a tort, caused or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the subgrantee or any of the officers, agents, employees or subcontractors of the subgrantee ("claims"). It is the specific intention of the parties that the Indemnitee shall, in all instances, except for claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the Subrecipient from and against any Claims.

SECTION 32: Time is of the Essence

Time is of the essence in Subrecipient's performance of its obligations under this Agreement.

SECTION 33: Merger and Waiver

This Agreement and all Exhibits and Attachments, if any, constitute the entire agreement between the Parties on the subject matter hereof. There are no understandings, agreements, or representations, oral or written, not specified herein regarding this Agreement. No waiver or consent under this Agreement binds either Party unless in writing and signed by both Parties. Such waiver or consent, if made, is effective only in the specific instance and for the specific purpose given.

Failure by MLE to insist upon the strict performance of any provision of this agreement shall not affect MLE's right to require strict performance of the same provision in the future or any other provision. Failure by MLE to exercise any right based upon a breach, or acceptance by MLE of performance during such breach, shall not constitute a waiver of any of its rights or remedies with respect to such breach.

Each party, by signature of its authorized representative, hereby acknowledges that it has read this agreement, understands it, and agrees to be bound by its terms and conditions.

SECTION 34: Records Maintenance and Access

Subrecipient shall maintain all financial records relating to this Agreement in accordance with generally accepted accounting principles. In addition, Subrecipient shall maintain any other records, books, documents, papers, plans, records of shipments and payments and writings of Subrecipient, whether in paper, electronic or other form, that are pertinent to this Agreement in such a manner as to clearly document Subrecipient's performance. All financial records, other records, books, documents, papers, plans, records of shipments and payments and writings of Subrecipient, whether in paper, electronic or other form, that are pertinent to this Agreement, are collectively referred to as "Records." Subrecipient acknowledges and agrees that State Parks, the federal government, and their duly authorized representatives will have access to all Records to perform examinations and audits and make excerpts and transcripts. Subrecipient shall retain and keep accessible all Records for a minimum of six (6) years, or such longer period as may be required by applicable law, following termination of this Agreement, or until the conclusion of any audit, controversy or litigation arising out of or related to this Agreement, whichever date is later.
