Transpo will coordinate with the County to schedule and staff up to two outreach events to present the project and provide an opportunity for public input. These events can occur on the same day or different days and can include general public outreach activities. Transpo will present to the County Council the Final ADA Transition Plan, including presentation to Council at the preceding hearing. Also support County staff at two County Council meetings (with option for third meeting if needed) to provide updates and present the draft and final plans. **3.2 Online Public Survey**: Transpo will develop with support from the County's staff an online public survey that is ADA accessible that also provides opportunities for public comment. This will be done using third-party survey software accessed via an external link on the County's website; however, no live streaming of events or question responses will be provided. This on-line survey will be open to the public for one month with comment collected during that time. Graphics developed under task 3.1 above will also be provided in electronic format for inclusion in the online survey. The online survey and other County supported outreach can help us recruit participants for a targeted focus group. **3.3 Targeted Focus Group and Advisory Committee**: Focus groups can provide a deeper understanding of the factors the disabled community finds important for updating pedestrian areas in the County, as well as a better understanding of the main barriers in pedestrian areas. **3.4** County will assist Transpo in holding two one-hour focus group meeting at an accessible location. Support from Transpo will include development of materials and on-site facilitation. Participants will be recruited through County contacts including ADA community groups, groups representing senior citizens, those expressing an interest in participating from the online public meeting, and comment forms. Council discussed this item at its June 4 meeting. Public documents are available for review in the Council Office, 311 Grand Avenue, Bellingham, and at [www.co.whatcom.wa.us/council](http://www.co.whatcom.wa.us/council).
