the following questions

9. Please describe your occupation (or former occupation if retired), qualifications, professional and/or community activities, and education

I am an engineering manager by training. I am trying to be more involved in my communities issues to broaden myself and my role in the community. Jill Bernstein is a friend and recommended I consider this volunteer group.

10. Please describe why you're interested in serving on this board or commission

I would like to understand and contribute to continuously improve our criminal justice system with a focus on efficiency and reliability. I would like to know if there are things we can do to improve how we use our resources in criminal justice. I have been involved in many retrofit -vs- replace decisions in my career and think I could provide experience on this choice.

I live in the unincorporated county and I have observed issues around criminal justice. I am also a PUD Commissioner and a Planning Commissioner. I look forward to broaden my background beyond infrastructure and land use to aspects that require a greater understanding of keeping people productive in our community.
