Subject: **Removal of Hannegan Rd School Zone**

I have reviewed the request for the removal of the Hannegan Road school zone from E. Hemmi Rd to Ten Mile Rd. With the current placement of fencing and concrete barriers located at Irene Reither Elementary School, I don't see a need for the existing school zone.

This section of roadway does not have children walking or bicycling to or from school, and has caused confusion with drivers slowing down, when not necessary. The removal of this school zone will actually help improve traffic flow in this area.

As the Traffic Sergeant in charge of traffic enforcement, this change would be supported by the Sheriff's Office.
