RE: North Sound Behavioral Health Administrative Services Organization, LLC (NS BH-ASO) – Recovery Navigator Program Contract Amendment #3

DATE: JULY 31, 2025

Attached is a contract amendment between Whatcom County and NS BH-ASO for your review and signature. This amendment updates insurance language and adds funding for the 07/01/2025-12/31/2025 contract period.

▪ **Background and Purpose**

This contract provides funding for Whatcom County Health and Community Services Law Enforcement Assisted Diversion/Let Everyone Advance with Dignity (LEAD) Program to meet the legislative requirements of ESB5476§13. The legislature approved the Recovery Navigator Program (RNP) Uniform Standards, which states, “RNP’s will, whenever possible, build on and enhance those existing LEAD-aligned approaches, complementing them where necessary to achieve greater alignment with LEAD core principles, before/rather than establishing stand alone RNP Programs. The existing LEAD-aligned investments might include LEAD programs, crisis response programs, resource hubs, homelessness response, and other locally coordinated efforts that intentionally attempt to achieve the goals of recovery navigator standards”.

The intent of the RNP is to provide social services to individuals who intersect with policy because of simple drug possession (ESB 5476§13) and/or people who have frequent criminal legal system contact because of unmet behavioral health care needs. The RNP established a new system of response and care for people who are not served by office-based, appointment-based, time-delimited care. Coordination and communication between law enforcement, prosecutors, program staff, medical providers, and community partners is essential to the success of these programs.

▪ **Funding Amount and Source**

Funding for this contract may not exceed \$256,227.50 for the period of 07/01/2025 – 12/31/2025. These funds are included in the 2025 budget. Council authorization is required as the additional funding provided by this amendment exceeds \$40,000 per WCC 3.06.010.
