Special Presentation

1. [AB2022-467](#) Report from the Finance Division

Brad Bennett, Administrative Services Department Finance, reported.

He and Tyler Schroeder, Director of Administrative Services, answered what next year's biennium budget looks like for revenue and expenses and whether it will be in good shape like this year, whether we will have enough money to fund our County government with all the increased costs and only slightly increasing revenues, whether there is a schedule yet for presenting the budget to the Council so they have enough time to look at it and ask questions, why traffic infractions are down over 50 percent and what they usually bring in per year, and what the average length of maturity is on interest revenue and whether those are laddered out.

This agenda item was REPORTED.

Committee Discussion and Recommendation to Council

1. [AB2022-434](#) Resolution amending the Flood Control Zone District & Subzones 2022 budget, request no. 5, in the amount of \$78,598 (Council acting as the Flood Control Zone District Board of Supervisors)

Frazey moved that the Resolution (FCZDBS) be RECOMMENDED FOR APPROVAL.

The following people briefed the Councilmembers.

- Gary Stoyka, Public Works Department
- Tyler Schroeder, Director of Administrative Services

Frazey's motion that the Resolution (FCZDBS) be RECOMMENDED FOR

APPROVAL carried by the following vote:

Aye: 3 - Byrd, Frazey, and Kershner

Nay: 0

Absent: 0

2. [AB2022-435](#) Ordinance amending the 2022 Whatcom County Budget, request no. 12, in the amount of \$4,068,703

Frazey moved that the Ordinance be RECOMMENDED FOR ADOPTION.

Doug Chadwick, Undersheriff, answered a question about the request "To fund new program specialist position from general fund transfer," and whether the Emergency Operation Center (EOC) manager would be training staff within County Government so they are ready to go before they get into the EOC.

Frazey's motion that the Ordinance be RECOMMENDED FOR ADOPTION carried by the following vote:

Aye: 3 - Byrd, Frazey, and Kershner

Nay: 0

Absent: 0

Council "Consent Agenda" Items

Kershner requested they have discussion on Consent Agenda item numbers three (AB2022-458), eight (AB2022-463), eleven (AB2022-470), twelve (AB2022-472), and thirteen (AB2022-475) before voting on them (but not separate them out from the Consent Agenda).

Galloway requested they have discussion on Consent Agenda item numbers thirteen (AB2022-475) and twenty-six (AB2022-495).

Frazey moved approval of the Consent Agenda.

Councilmembers and staff discussed the aforementioned items as follows:

Consent Agenda item number **three** (AB2022-458)

Kershner asked why the contract for services provided under the Whatcom County Volunteer Guardian Ad Litem program was decreased this year.

Tyler Schroeder, Director of Administrative Services, stated he would track down the answer to it (see answer below after discussion on item eleven).

Consent Agenda item number **eight** (AB2022-463)

Cathy Halka, Council Legislative Analyst, answered whether there is any background information about the Hearing Examiner's request for a fifteen percent salary increase, whether we pay any of his expenses through this contract or whether the contract is strictly for professional services, whether we provide computer equipment and other items necessary to complete the Hearing Examiner services, what the last increase was that we gave our Hearing Examiner, how much our Hearing Examiner works for us and whether it is full or part time, and whether the increase would be fifteen percent for both years.

Councilmembers discussed whether a fifteen percent increase per year is a little bit high when we are looking at the increases that we are considering for other staff, if the Hearing Examiner could track his hours so they can tie the compensation directly to the amount of time, and the fact that this is not the only job he performs.

Halka answered what staff did to put the word out for the position and whether anyone else is interested in it. She stated there is some time if they want to make some choices here on how to move forward.

Kershner asked that they remove Consent Agenda item number eight (AB2022-463) from the Consent Agenda and take action on it separately.

Consent Agenda item number **eleven** (AB2022-470)

Kershner asked whether anyone could give information about the program and Schroeder stated he needs to track down Dave Reynolds (Superior Court) to provide the answer she is looking for.

Consent Agenda item number **three** (AB2022-458)

Schroeder stated he found the answer to the question on item number three and stated it is a State reimbursement contract. The State is reimbursing us less than they have in the last couple years for the cost of the program.

Consent Agenda item number **twelve** (AB2022-472)

Ann Beck, Health Department, answered where the apartments are located, whether we are ignoring those with 61 percent or above the median income, and whether we have any programs for them.

Consent Agenda item number **thirteen** (AB2022-475)

Buchanan and Schroeder answered questions and discussed with

Councilmembers whether the Council developed and instituted the New Health, Safety & Justice Facility fund and how is it being funded, whether it is funded with the sales tax increase that was voted on in 2004, whether the additional amount to be added to the Crossroads Consulting contract extends their contract to September 2023 and whether that is when we expect their work to be done, what the differences are between the work and related contracts for the Incarceration Prevention and Reduction Task Force (IPRTF) and the Stakeholder Advisory Committee (SAC) and The Vida Agency, how these contracts will help them achieve an outcome that will be successful, whether the \$800,000 that was going to be paid to HOK included HOK also designing the facility, whether there is any room in this work to revisit the VERA Institute report and any necessary updates that might entail, whether the SAC has been made aware of the letter from the Mayors in Whatcom County asking the Council to take seriously the consideration of funding and getting started on building a new jail, and what measures the Mayors were proposing in that letter.

Consent Agenda item number **twenty-six** (AB2022-495)

Buchanan answered how much of this is new outreach and education versus a repeat of previous efforts, whether this is the same agency we have used before for communication efforts, and whether the public engagement plan is on the website.
