RE: Interagency agreement between Washington State Department of Health and Whatcom County Flood Control Zone District for the Whatcom County Pollution Identification and Correction (PIC) Program

Please find enclosed for your review and signature two (2) originals of interagency agreement #GVL24435-0 between the State of Washington Department of Health and Whatcom County Flood Control Zone District to support implementation of the Pollution Identification and Correction (PIC) Program.

Requested Action

Public Works respectfully requests that the Flood Control Zone District Board of Supervisors authorize the County Executive to sign the interagency agreement to support the PIC Program.

Background and Purpose

This grant agreement provides funds to support implementation of the Whatcom County PIC Program. Tasks include project development: project management and reporting; program coordination; pollution identification and correction; outreach and education; PIC training and workshops.

Funding Amount and Source

This grant agreement with the Washington State Department of Health provides \$600,000 to complete tasks as outlined in the scope of work. Please contact Gary Stoyka at extension 6218 or Erika Douglas at 6294 if you have any questions or concerns regarding the terms of this agreement.
