EXHIBIT “A” – Amendment #7
(SCOPE OF WORK)

I. Background

The annual Point in Time Count of homelessness conducted in January 2021, counted 859 people in Whatcom County who were experiencing homeless. Throughout the year, hundreds more face the prospect of losing their homes. The Whatcom Homeless Service Center (WHSC) was established in 2008 to serve as a centralized point of entry for homelessness prevention and re-housing services for Whatcom County residents. The WHSC implements programs and services identified in Whatcom County’s Plan to End Homelessness. The WHSC authorizes and coordinates service delivery among partner agencies.

The WHSC is modeled upon evidence-based approaches to homelessness diversion, permanent supportive housing and rapid re-housing (RRH). WHSC housing services work to shift the focus from reliance upon night-by-night emergency shelters and costly institutional facilities in meeting the needs of those experiencing or at risk of homelessness to diversion and permanent housing. By serving as a centralized coordinating system of access to homeless services and by transitioning homeless individuals and families as quickly as possible to permanent housing, WHSC will improve outcomes for homeless individuals and families and ensure more efficient use of public resources.

WHSC programs include both rental assistance and case management components. WHSC staff manages the Housing Pool list, authorizes and distributes rent subsidies to local landlords on behalf of participating clients, makes referrals to partner agencies for housing case management services, manages the Homeless Management Information Services (HMIS) data collection and reporting requirements, cultivates and maintains relationships with local landlords, and serves as liaison for homeless housing activities to the network of service providers and other community stakeholders.

Services will be provided to low-income and/or homeless individuals and households residing in Whatcom County. Individuals and households served must meet the eligibility requirements of the program funding sources as further referenced in Section IV. – Program Requirements.

II. Definitions

Diversion	Diversion can be the first response to resolving a homelessness episode by focusing on re-housing without a family entering a longer-term housing program. Diversion starts with problem-solving conversations to identify a household’s own strengths and resources, and services are tailored to meet each family’s most critical needs to quickly move into housing. Diversion services can include short-term/one-time financial support (i.e., deposit assistance, flex funding, etc.).
Housing Pool	Quasi wait list that serves clients waiting for housing services based on their needs and available resources instead of a first come, first served basis.
HMIS	Washington’s Homeless Management Information Services – A database used by housing service providers to collect and manage data gathered during the course of providing housing assistance to homeless people or households at risk of losing their housing.
Partner Agencies	Agencies that contract with Whatcom County for the delivery of housing case management services, in connection with the WHSC.
Permanent Supportive Housing Population	Chronically homeless individuals/households with significant barriers to permanent housing; will receive deep rent subsidies and intensive housing case management. Chronically Homeless Families (CHF) have one head of household that meets the definition of chronic homelessness (as stated in CHG Guidelines), and one or more dependents defined as minor children, disabled dependents, or full-time students. Household income may not exceed 50% of area median gross income as defined by HUD.

ESG-CV Prevention	An intervention providing financial assistance including rent, utilities, and case management, for households at imminent risk of or at-risk of, homelessness.
Rapid Re-housing (RRH)	An intervention in which families and individuals experiencing homelessness are rapidly connected to permanent housing through a tailored package of assistance that may include the use of time-limited financial assistance including rent and utilities, and targeted supportive services including case management.
ESG-CV Rapid Rehousing and Prevention; Other Financial Assistance	Inclusive of: rental application fees charge by the owner to all applicants; security deposits; last month's rent; moving costs; utility deposits; utility payments; landlord and volunteer incentives.
SHB 1406	SHB 1406 legislation passed in 2019 provides the ability for local communities to retain a portion of sales tax collections to use for rental assistance, operations of new units of supportive and affordable housing, and acquiring, rehabilitating, or construction of affordable housing, for residents with an income of 60% or less of the area median income.
Whatcom Homeless Service Center (WHSC)	WHSC programs provide (1) centralized coordinated system of access (2) re-housing of those who become homeless (3) supportive services promoting housing stability and self-sufficiency, and (4) data management and tracking information for people receiving homeless housing services in Whatcom County and according to the Washington State Department of Commerce HMIS data collection requirements. WHSC works in conjunction with Partner Agencies to operate all activities necessary to operate as a system.
