3. [AB2025-194](#) Resolution docketing Comprehensive Plan and Development Regulation amendments
- Elenbaas* reported for the Planning and Development Committee and *moved* that the resolution be APPROVED.**

Elenbaas stated the school district (PLN2025-00003) is paying Whatcom County a fee to docket their item. It seems that is just trading tax dollars so he would like to waive that fee.

George Roche, Prosecuting Attorney's Office, discussed with Councilmembers what the process would be to do that.

Byrd moved that the school district specific request is docketed by the Council and that all additional requests continue to move forward as presented.

The motion was seconded by Elenbaas.

Elenbaas stated the motion would change the Bellingham School District's item from being a privately-requested item to being an item docketed by the Council which means there is no fee charged.

Roche stated it might be better to remove the school district from the action for tonight and to write a separate resolution that deals with their issue specifically.

Byrd withdrew his motion.

Byrd moved to pass the two items currently proposed that are not the school district item and hold the school district item until their next

meeting, at which point staff can bring forward a new resolution. There was no second.

Elenbaas moved to amend Exhibit A in the third column (where it says “applicant”) to say “Whatcom county.” There was no second.

Roche stated perhaps it would be better to hold this matter for two weeks to make sure it is done appropriately.

Aly Pennucci, Executive's Office, answered whether they could just amend as per Elenbaas' last motion, and stated the resolution, as presented, does not set a clean record of whether or not Council waived the fees. She stated the cleanest thing would be to hold this and let them revise the exhibit to represent the Council's intention.

Galloway moved to hold this item for two weeks and send it back to the Planning and Development Committee.

The motion was seconded by Byrd.

Councilmembers discussed the motion.

Galloway's motion that the Resolution be HELD and REFERRED to the Planning and Development Committee carried by the following vote:

Aye: 7 - Buchanan, Byrd, Donovan, Elenbaas, Galloway, Scanlon, and Stremmer

signatures.

George Roche, Prosecuting Attorney's Office, answered questions.

Elenbaas nominated Stremler.

1. [AB2025-196](#) Ordinance temporarily amending the funding limit of cash flow loans from the Road Fund to North Lake Samish Bridge No. 107 Replacement Fund -3905 from \$2,000,000 up to \$6,656,262.32 for a term not to exceed two years

Byrd moved and Scanlon seconded that the Ordinance be INTRODUCED.

Councilmembers discussed disappointment in the situation in which they have to potentially look to unincorporated taxpayers to fund something for which the County had an agreement with the State and Federal Government, how quickly the Public Works Department recognized there was a problem with funding and came up with a solution like this, whether there are grounds to deal with this through a legal mechanism if the Federal executive order is unconstitutional, that they should look at a strategy to partner with other local governments dealing with the same issue, and that they do not know yet whether or when they are getting paid.

George Roche, Prosecuting Attorney's Office, encouraged the Council to keep working with the Prosecuting Attorney and maybe they will come up with something when it comes to recovering Federal grant money, but that they should not hold their breath.

Donovan stated the assumption that they are going to get the money back is a risky assumption, and asked whether the Administration should just put a stop work order on this bridge.

Roche stated the County has a contract with the bridge-building company which is enforceable, and that they can sue the County if we breach our duties under that contract.

Byrd's motion that the Ordinance be INTRODUCED carried by the following vote:

Aye: 5 - Byrd, Elenbaas, Galloway, Scanlon, and Stremmer

Nay: 0

Abstain: 2 - Buchanan, and Donovan
