Reviewing and approving human subject research proposals to protect the safety and security of the participants and the community.
- 1999 - 2020 **Institute for Village Studies** (<http://villagestudies.org>) Board of Directors and President of BOD

IVS organizes service-learning projects mostly in Central America and Asia for college students. They have been working in Belize for since 1999 and India and Thailand since 2001. Community assessment is done in a creative asset based process that meets the community at the place where the community defines what its goals and objectives are and students and staff of IVS find ways to help make those goals achievable. For example in Belize the tutoring project that the community wanted has led to an increase of Mayan students passing the entrance exam for high school from 10% to over 90%.
- 6-2006 - 2022 **Responsible Development** (<http://www.rdnw.org/>) Founder, Board of Directors, President of BOD. A 501c3 Not for Profit Corp, the mission of which is to preserve the high quality of life that *defines* Bellingham. We believe in taking proactive steps to ensure responsible development within our community as our population grows. Included in the mission are active efforts to support neighborhood planning; to incorporate public input into planning for growth; to ensure that significant recreational lands, natural corridors, and wildlife habitat areas are preserved; to acquire and maintain public parks, trails, and natural open-space throughout our city; and to require accountability from our city officials. Preserved 88 Acre Chuckanut Community Forest.
- 2009 to Present **Jhamtse International** (<https://www.jhamtse.com>)

2002 - 2004

Spring Street International School

(<http://www.springstreet.org/>) Board of Trustees 505 Spring St Friday Harbor, WA 98250
(360) 378-6393

Spring Street School opened in the fall of 1995 in response to the interest of students and parents seeking a rigorous academic program responsive to the skill levels and interests of individual students. The school is approved by the Washington State Board of Education to serve students in grades 5 through 12. The school seeks to promote a balance for students between an intensive academic program and experiential education, including field trips, wilderness experiences and an overseas service-learning. We believe the exposure our students receive to a wide range of experiences helps keep the isolation of island living from imposing limitations on their choices in life.

1999 - 2003

SAFE Bellingham (<http://www.safebellingham.org/>) Founder and Steering Committee

The day after a gasoline pipeline exploded killing 3 in our community on June 10th this group was founded by Dr James. He raised over \$60,000 to support its work in the first year, helped to put on a national conference in WA DC, spoken out to community and industry locally and nationally. SAFE manages a national list serve on the topic and helped to pass federal legislation to reform the pipeline industry. Ultimately over \$100 million in fines were assessed the responsible parties and 3 of 4 corporate executive went to prison.
