AGREEMENT FOR PROBATION SERVICES

THIS AGREEMENT made this _____ day of _____, 2025, between Whatcom County, a municipal corporation, (hereinafter referred to as the "County"), and the City of Lynden (hereinafter referred to as the "City"), pursuant to R.C.W. Chapter 39.34, the Interlocal Cooperation Act, the County agrees to provide probation services through the Whatcom County Probation Department, to the City as provided herein.

WITNESSETH:

WHEREAS, the City by virtue of the authority vested in it pursuant to the Constitution and the laws of the State of Washington is authorized to provide probation services to the citizens of the City, as are described herein; and

WHEREAS, the legislative authority of the City has found that the best interests of its citizens would be served if such services were provided; and

WHEREAS, the Municipal Court is in need of probation services for persons who have been cited into the Municipal Court of the City and/or who have been found guilty of violating ordinances of the City; and

WHEREAS, the existing staff of the City possesses neither the expertise nor the facilities to provide such services; and

WHEREAS, the County does possess the staff, expertise and facilities to provide such services, as set forth herein;

NOW, THEREFORE, it is mutually agreed and understood between the parties as follows:

Section I SERVICES

1. Description – Active Probation Services

- a. The County hereby agrees to provide the following pretrial and post-conviction probation services for the City to individual clients who have been referred by the municipal court. Services will begin after all relevant court documents detailing the individual's court-ordered requirements (i.e., judgment and sentence, deferred prosecution, pre-trial order or other official court form) are received by Whatcom County District Court Probation from the City. After receipt of the relevant court documents, the probation department shall:
 - i. Refer and monitor compliance with the assessment and treatment of substance use disorders, domestic violence, mental health, sexual deviancy or other treatment as ordered by the court.
 - ii. Monitor completion of community service.
 - iii. Monitor payment of restitution.
 - iv. Complete reviews to determine the indigent status of a court referred client.
 - v. Perform bail studies.
 - vi. Conduct breath, urine, and oral substance testing.
 - vii. Monitor the performance of other requirements as indicated in writing by the court.

2. Description – Inactive Probation Services

- a. Report future good behavior by performing Judicial Information Systems Defendant Case History and Department of Licensing record checks only.

Section II PAYMENT SCHEDULE

1. For All Years – Active Probation Services

As consideration for the probation services provided each year, the City agrees to reimburse the County at a monthly rate per open active case. The monthly rate will be determined according to the following formula:

- a. the department's authorized expenditure budget for that year, less 2% for a projected lapse in expenditures
- b. less the projected amount to be billed for inactive cases
- c. less any amounts projected to be received from other funds (e.g. Behavioral Health Programs Fund, Trial Court Improvement Fund, Administrative Office of the Courts)
- d. less amounts specifically budgeted for a Court specific program (e.g. electronic monitoring devices),
- e. divided by the number of projected non-behavioral health unit active case months.

Projected case months will be equal to the active and inactive case months from the 12 month period ending September 30th of the prior year. The County will bill the City monthly for active and inactive cases. The City will pay the monthly bills within thirty (30) days of being billed. On or before February 15th following each billing year, the County will calculate the actual monthly per case cost of probation services for each billing year by dividing the amount of actual expenditures for the period January 1 through December 31 of the billing year, less actual amounts specified in the above formula, divided by the actual number of active non-behavioral health unit case months for the same time period. If the actual cost of providing the probations services was less than the amount billed during the billing year, the County will credit the difference to the City by March 31st of the following year. If the actual cost of providing the probation service was more than the amount billed during the billing year, the City will reimburse the difference to the County by March 31st of the following year.

2. For All Years – Inactive Probation Services

As consideration for the probation services provided during each billing year, the City agrees to reimburse the County a monthly rate of \$10.00 per open inactive case.
