

**INTERAGENCY AGREEMENT**  
**Between**  
**Camano Fire and Rescue**  
**And**  
**Whatcom County Emergency Medical Services/Whatcom County**  
**Paramedic Training Program**

Whatcom County Emergency Medical Services, (hereinafter the “County”), and Camano Fire and Rescue, (hereinafter the “Department”), in consideration of the mutual covenants herein, agree as follows:

- I. **Purpose:** This Agreement will provide paramedic training for up to one (1) Camano Fire and Rescue Firefighter/EMT in the 2024 Paramedic Training class (the “Program”) administered by the Bellingham Fire Department (BFD), accreditation affiliation through Bellingham Technical College (College), funded by the Whatcom County EMS Levy.
- II. **Program Administration:** It is understood that the Department shall be responsible for the direct supervision of their respective employee and that nothing in this Agreement will interfere with the employer/employee relationship or the functioning of the Department herein named. In compliance with applicable law and State records guidelines, both parties will maintain documentation and/or records relevant to the Program.
- III. **Financial Responsibility:** The 2024 Paramedic Training Program is paid for by the Whatcom County Countywide Emergency Medical Services Fund. The Department is responsible for all wages, benefits and insurance coverage for its participant.
- IV. **Financial Agreement:** The Department will pay the County for direct costs of student participation and a portion of common costs for the 2024 Program as described in **Exhibit A - Detail of Student Costs**. One-half of the agreed total student cost will be paid when the paramedic training program is half-complete and the remaining second half is paid once the Program has been completed.
- V. **Program Sponsorship:** The College shall be the sponsoring institution and, as such, the Program will operate within the College’s appropriate policies and procedures.
- VI. **Program Approval:** The Program is approved through the Washington State Board for Community and Technical Colleges and the Washington State Department of Health. Accreditation is granted through the Commission on Accreditation of Allied Health Education Programs (CAAHEP).

**VII. Responsibilities of the Department:**

- A. Provide recommendation for enrollment of student into the Program by the Fire Chief and the Department Medical Program Director.
- B. Obtain concurrence from the College, County, Paramedic Training Medical Program Director and BFD for the selection of qualified EMTs for enrollment in the Paramedic Training program.
- C. Provide weekly or monthly, depending on need, direct leadership and preceptor liaison with the Paramedic Training Lead Instructor for the purposes of monitoring student progress and activities.
- D. Reimburse the County for agreed expenses as described in Exhibit A.

**VIII. Objectives of Paramedic Training Course:**

- A. The Program will include the pre-requisite (60-hour/5-Credit) Anatomy and Physiology Course through a combination of online and laboratory learning.
- B. The Program will include and require students to complete approximately 1300 clinical hours. Preceptorships will be provided by the Bellingham Fire Department. Students will see approximately 500 patients while precepting on the ALS units. Clinical hours will include training with the hospital emergency department, operating room, intensive care unit & maternity units, along with observation days at Children's Hospital and Harborview Medical Center as part of the Program learning experience. On average, students will administer approximately 150 IVs and approximate 20 Intubations during their clinical hours.
- C. The Program will include 650 classroom hours for both didactic and simulation lab learning.
- D. Provide weekly or monthly, depending on need, student progress reports to the Department liaison.
- E. Provide student evaluations (Approximately 20).
- F. Provide physician-level evaluations of students for paramedic certification.
- G. The Program will strive to prepare the student for National Registry of EMT's (NREMT) testing and certification.

**IX. Paramedic Training Program admission requirements:**

- A. Eligible Advanced Life Support Departments and Whatcom County Fire Departments or District employees meeting admission requirements as set forth in RCW 18.71.205 and WAC 246.976.041, will be considered for the program upon recommendation of the Paramedic Course Director. Enrollment is not open to the public.
- B. All students accepted for admission must have current Emergency Medical Technician (EMT) certification and a high school diploma or equivalent as per Washington State Department of Health (DOH) guidelines.
- C. Out-of-County students must be affiliated with an Advanced Life Support Agency and will have the recommendation of the Fire Chief and Out of County Medical Program Director or Supervising Physician to enroll in the Paramedic Training Program.
