4) **Review and Revise Provisions for Change of Use and Occupancy.** Changes in use of existing facilities should be consistent with current code, and with code revisions requested above. Changes in use or occupancy should not result in a substantive functional change in the initial permitted use of an existing facility without being subject to discretionary authority and conditional requirements per, points 1, 2 & 3 as listed above. Code should allow staff approval of changes or occupancy or use where new uses remain consistent with current and with code adopted per this resolution. Code should also provide for a clear obligation to review and properly address, and mitigate, impacts of changes in use or occupancy of existing facilities.
