GENERAL CONDITIONS

Series 00-09: Provisions Related to Scope and Nature of Services

0.1 Scope of Services:

The Contractor agrees to provide to the County services and any materials as set forth in the project narrative identified as Exhibit "A", during the agreement period. No material, labor, or facilities will be furnished by the County, unless otherwise provided for in the Agreement.

Series 10-19: Provisions Related to Term and Termination

10.1 Term:

Services provided by Contractor prior to or after the term of this contract shall be performed at the expense of Contractor and are not compensable under this contract unless both parties hereto agree to such provision in writing. The term of this Agreement may be extended by mutual agreement of the parties; provided, however, that the Agreement is in writing and signed by both parties.

10.2 Extension:

The duration of this Agreement may be extended by mutual written consent of the parties, for a period of up to one year, and for a total of no longer than three years.

11.1 Termination for Default:

If the Contractor defaults by failing to perform any of the obligations of the contract or becomes insolvent or is declared bankrupt or commits any act of bankruptcy or insolvency or makes an assignment for the benefit of creditors, the County may, by depositing written notice to the Contractor in the U.S. mail, first class postage prepaid, terminate the contract, and at the County's option, obtain performance of the work elsewhere. Termination shall be effective upon Contractor's receipt of the written notice, or within three (3) days of the mailing of the notice, whichever occurs first. If the contract is terminated for default, the Contractor shall not be entitled to receive any further payments under the contract until all work called for has been fully performed. Any extra cost or damage to the County resulting from such default(s) shall be deducted from any money due or coming due to the Contractor. The Contractor shall bear any extra expenses incurred by the County in completing the work, including all increased costs for completing the work, and all damage sustained, or which may be sustained by the County by reason of such default.

11.2 Termination for Reduction in Funding:

In the event that funding from State, Federal or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement, and prior to its normal completion, the County may summarily terminate this Agreement as to the funds withdrawn, reduced, or limited, notwithstanding any other termination provisions of this Agreement. If the level of funding withdrawn, reduced or limited is so great that the County deems that the continuation of the programs covered by this Agreement is no longer in the best interest of the County, the County may summarily terminate this Agreement in whole, notwithstanding any other termination provisions of this Agreement. Termination under this section shall be effective upon receipt of written notice as specified herein, or within three days of the mailing of the notice, whichever occurs first.

11.3 Termination for Public Convenience:

The County may terminate the Agreement in whole or in part whenever the County determines, in its sole discretion, that such termination is in the interests of the County. Whenever the Agreement is terminated in accordance with this paragraph, the Contractor shall be entitled to payment for actual work performed at unit contract prices for completed items of work. An equitable adjustment in the contract price for partially completed items of work will be made, but such adjustment shall not include provision for loss of anticipated profit on deleted or uncompleted work. Termination of this Agreement by the County at any time during the term, whether for default or convenience, shall not constitute breach of contract by the County.

Series 20-29: Provisions Related to Consideration and Payments

20.1 Accounting and Payment for Contractor Services:

Payment to the Contractor for services rendered under this Agreement shall be as set forth in Exhibit "B." Where Exhibit "B" requires payments by the County, payment shall be based upon written claims supported, unless otherwise provided in Exhibit "B," by documentation of units of work actually performed and amounts earned, including, where appropriate,

the actual number of days worked each month, total number of hours for the month, and the total dollar payment requested, so as to comply with municipal auditing requirements.

Unless specifically stated in Exhibit "B" or approved in writing in advance by the official executing this Agreement for the County or his designee (hereinafter referred to as the "Administrative Officer") the County will not reimburse the Contractor for any costs or expenses incurred by the Contractor in the performance of this contract. Where required, the County shall, upon receipt of appropriate documentation, compensate the Contractor, no more often than monthly, in accordance with the County's customary procedures, pursuant to the fee schedule set forth in Exhibit "B."

21.1 Taxes:

The Contractor understands and acknowledges that the County will not withhold Federal or State income taxes. Where required by State or Federal law, the Contractor authorizes the County to withhold for any taxes other than income taxes (i.e., Medicare). All compensation received by the Contractor will be reported to the Internal Revenue Service at the end of the calendar year in accordance with the applicable IRS regulations. It is the responsibility of the Contractor to make the necessary estimated tax payments throughout the year, if any, and the Contractor is solely liable for any tax obligation arising from the Contractor's performance of this Agreement. The Contractor hereby agrees to indemnify the County against any demand to pay taxes arising from the Contractor's failure to pay taxes on compensation earned pursuant to this Agreement.

The County will pay sales and use taxes imposed on goods or services acquired hereunder as required by law. The Contractor must pay all other taxes, including, but not limited to, Business and Occupation Tax, taxes based on the Contractor's gross or net income, or personal property to which the County does not hold title. The County is exempt from Federal Excise Tax.

22.1 Withholding Payment:

In the event the County's Administrative Officer determines that the Contractor has failed to perform any obligation under this Agreement within the times set forth in this Agreement, then the County may withhold from amounts otherwise due and payable to Contractor the amount determined by the County as necessary to cure the default, until the Administrative Officer determines that such failure to perform has been cured. Withholding under this clause shall not be deemed a breach entitling Contractor to termination or damages, provided that the County promptly gives notice in writing to the Contractor of the nature of the default or failure to perform, and in no case more than 10 days after it determines to withhold amounts otherwise due. A determination of the Administrative Officer set forth in a notice to the Contractor of the action required and/or the amount required to cure any alleged failure to perform shall be deemed conclusive, except to the extent that the Contractor acts within the times and in strict accord with the provisions of the Disputes clause of this Agreement. The County may act in accordance with any determination of the Administrative Officer which has become conclusive under this clause, without prejudice to any other remedy under the Agreement, to take all or any of the following actions: (1) cure any failure or default, (2) to pay any amount so required to be paid and to charge the same to the account of the Contractor, (3) to set off any amount so paid or incurred from amounts due or to become due the Contractor. In the event the Contractor obtains relief upon a claim under the Disputes clause, no penalty or damages shall accrue to Contractor by reason of good faith withholding by the County under this clause.

23.1 Labor Standards:

The Contractor agrees to comply with all applicable state and federal requirements, including but not limited to those pertaining to payment of wages and working conditions, in accordance with RCW 39.12.040, the Prevailing Wage Act; the Americans with Disabilities Act of 1990; the Davis-Bacon Act; and the Contract Work Hours and Safety Standards Act providing for weekly payment of prevailing wages, minimum overtime pay, and providing that no laborer or mechanic shall be required to work in surroundings or under conditions which are unsanitary, hazardous, or dangerous to health and safety as determined by regulations promulgated by the Federal Secretary of Labor and the State of Washington.

Series 30-39: Provisions Related to Administration of Agreement

30.1 Independent Contractor:

The Contractor's services shall be furnished by the Contractor as an independent contractor, and nothing herein contained shall be construed to create a relationship of employer-employee or master-servant, but all payments made hereunder and all services performed shall be made and performed pursuant to this Agreement by the Contractor as an independent contractor.

The Contractor acknowledges that the entire compensation for this Agreement is specified in Exhibit "B" and the Contractor is not entitled to any benefits including, but not limited to: vacation pay, holiday pay, sick leave pay, medical,

dental, or other insurance benefits, or any other rights or privileges afforded to employees of the County. The Contractor represents that he/she/it maintains a separate place of business, serves clients other than the County, will report all income and expense accrued under this contract to the Internal Revenue Service, and has a tax account with the State of Washington Department of Revenue for payment of all sales and use and Business and Occupation taxes collected by the State of Washington.

Contractor will defend, indemnify and hold harmless the County, its officers, agents or employees from any loss or expense, including, but not limited to, settlements, judgments, setoffs, attorneys' fees or costs incurred by reason of claims or demands because of breach of the provisions of this paragraph.

30.2 Assignment and Subcontracting:

The performance of all activities contemplated by this agreement shall be accomplished by the Contractor. No portion of this contract may be assigned or subcontracted to any other individual, firm or entity without the express and prior written approval of the County.

30.3 No Guarantee of Employment:

The performance of all or part of this contract by the Contractor shall not operate to vest any employment rights whatsoever and shall not be deemed to guarantee any employment of the Contractor or any employee of the Contractor or any subcontractor or any employee of any subcontractor by the County at the present time or in the future.

31.1 Ownership of Items Produced:

All writings, programs, data, public records or other materials prepared by the Contractor and/or its consultants or subcontractors, in connection with performance of this Agreement, shall be the sole and absolute property of the County.

31.2 Patent/Copyright Infringement: Not Applicable

32.1 Confidentiality:

The Contractor, its employees, subcontractors, and their employees shall maintain the confidentiality of all information provided by the County or acquired by the Contractor in performance of this Agreement, except upon the prior written consent of the County or an order entered by a court after having acquired jurisdiction over the County. Contractor shall immediately give to the County notice of any judicial proceeding seeking disclosure of such information. Contractor shall indemnify and hold harmless the County, its officials, agents or employees from all loss or expense, including, but not limited to, settlements, judgments, setoffs, attorneys' fees and costs resulting from Contractor's breach of this provision.

33.1 Right to Review:

This contract is subject to review by any Federal, State or County auditor. The County or its designee shall have the right to review and monitor the financial and service components of this program by whatever means are deemed expedient by the Administrative Officer or by the County Auditor's Office. Such review may occur with or without notice and may include, but is not limited to, on-site inspection by County agents or employees, inspection of all records or other materials which the County deems pertinent to the Agreement and its performance, and any and all communications with or evaluations by service recipients under this Agreement. The Contractor shall preserve and maintain all financial records and records relating to the performance of work under this Agreement for three (3) years after contract termination, and shall make them available for such review, within Whatcom County, State of Washington, upon request. Contractor also agrees to notify the Administrative Officer in advance of any inspections, audits, or program review by any individual, agency, or governmental unit whose purpose is to review the services provided within the terms of this Agreement. If no advance notice is given to the Contractor, then the Contractor agrees to notify the Administrative Officer as soon as it is practical.

34.1 Proof of Insurance:

The Contractor shall carry for the duration of this Agreement general liability and property damage insurance with the following minimums:

General Liability & Property Damage for bodily injury- \$1,000,000.00 (this amount may vary with circumstances)

A Certificate of insurance, that also identifies the County as an additional insured, is attached hereto as Exhibit "C". This insurance shall be considered as primary and shall waive all rights of subrogation. The County insurance shall be noncontributory.

- a. Professional Liability - \$1,000,000 per occurrence:

If the professional liability insurance is a claims made policy, and should the contractor discontinue coverage either during the term of this contract or within three years of completion, the contractor agrees to purchase tail coverage for a minimum of three years from the completion date of this contract or any amendment to this contract.

34.2 Industrial Insurance Waiver: Not Applicable

34.3 Defense & Indemnity Agreement:

The Contractor agrees to defend, indemnify and save harmless the County, its appointed and elective officers and employees, from and against all loss or expense, including, but not limited to, judgments, settlements, attorneys' fees and costs by reason of any and all claims and demands upon the County, its elected or appointed officials or employees for damages because of personal or bodily injury, including death at any time resulting therefrom, sustained by any person or persons and on account of damage to property, including loss of use thereof, whether such injury to persons or damage to property is due to the negligence of the Contractor, its subcontractors, its successor or assigns, or its agents, servants, or employees, the County, its appointed or elected officers, employees or their agents, except only such injury or damage as shall have been occasioned by the sole negligence of the County or its appointed or elected officials or employees. In case of damages caused by the concurrent negligence of Contractor, its subcontractors, its successors or assigns, or its agents, servants, or employees, and the County, its appointed or elected officers, employees or their agents, then this indemnification provision is enforceable only to the extent of the negligence of the Contractor, its agents, or its employees.

It is further provided that no liability shall attach to the County by reason of entering into this contract, except as expressly provided herein. The parties specifically agree that this agreement is for the benefit of the parties only and this agreement shall create no rights in any third party.

45.1 Entire Agreement:

This written Agreement, comprised of the writings signed or otherwise identified and attached hereto, represents the entire Agreement between the parties and supersedes any prior oral statements, discussions or understandings between the parties.

EXHIBIT "A" SCOPE OF WORK

I. Background

Department of Housing and Urban Development Continuum of Care Sponsor Based Rental Assistance (formerly Shelter Plus Care) is a federally funded program that provides long term rental assistance to homeless persons with disabilities, primarily those with serious mental illness, chronic problems with alcohol and/or drugs, and HIV/AIDS or related diseases (see Programmatic Crosswalk of Changes: CoC, SHP, SPC Program Regulation <https://www.onecpd.info/resource/2046/programmatic-crosswalk-of-changes-coc-shp-spc-program-regulations/> for more information about the program). In Whatcom County, program eligibility is limited to homeless persons with mental illness. The program requires that housing assistance be matched with supportive services (e.g., leasing assistance, case management, mental health services) funded through other sources. In Whatcom County, the Sponsor Based Rental Assistance (SBRA) program is administered by the Bellingham Whatcom County Housing Authorities (BWCHA), through participating "sponsors." Sponsors take responsibility for the rental units either through ownership, master leasing of the rental housing unit and or facility, or by co-signing tenant leases.

The purpose of this contract is to fund support services associated with the provision of housing by sponsor agencies. Sponsor agency support services typically include locating available housing units in the community, acting as leasing specialists, and working with tenants and participating landlords to resolve tenancy issues that may arise. Sponsors are also responsible for paying tenant rent, in the event of tenant abandonment of the unit, and for paying for tenant caused damages that are in excess of normal wear and tear and that exceed the federal SBRA damages coverage. This contract will also support the leasing specialist activities provided to Supportive Housing Program participants (SHP) as needed. The SHP is a HUD housing assistance program for people who are chronically homeless with a mental health disability.

This contract is part of Whatcom County's ongoing efforts to create a continuum of housing services and supports for low income and homeless individuals and families, in a manner that is cost effective and responsive to the needs of the community.

II. Statement of Work

Under this contract, the Contractor will place or maintain at least 75 new and/or continuing Sponsor Based Rental Assistance (SBRA) or Supportive Housing Program (SHP) clients each month in housing units that meet Federal program requirements during the 2019 calendar year. Leasing specialist activities will include the following:

- (1). Locate new housing units for SBRA and SHP clients as needed.
- (2). Prepare SBRA application and verification documents with prospective clients and submit to BWCHA.
- (3). Document client eligibility and lease agreement for the SBRA program and SHP Program in the client file.
- (4). Provide housing services to SBRA and SHP clients in order to promote housing retention. Housing services include, but are not limited to:

- (a). Conducting in-home inspections and/or visits with the client in order to identify and address barriers to housing stability.
 - (b). Educating clients about rental/lease compliance and tenant responsibilities under Landlord Tenant Law.
 - (c). Coordinating with case managers and clients about cleaning and maintaining housing units.

Any "leased auto" in the policy schedule will be considered a covered "auto" you own and not a covered "auto" you hire or borrow.

The coverages provided under this endorsement apply to any "leased auto" in the policy schedule until the expiration date of the lease, or when the lessor or his or her agent takes possession of the "leased auto," whichever occurs first.

"Leased auto" means an "auto" leased or rented to you, including any substitute, replacement or extra "auto" needed to meet seasonal or other needs, under a leasing or rental agreement that requires you to provide direct primary insurance for the lessor.

 - (c) Security deposits not refunded;
 - (d) Costs for extended warranties or insurance; or
 - (e) Final payment due under a "balloon loan"; or
 - (2) Actual cash value of the stolen or damaged property.

An adjustment for depreciation and physical condition will be made in determining actual cash value at the time of "loss."

JACK LOUWS
COUNTY EXECUTIVE

MEMORANDUM

TO: Jack Louws, County Executive
FROM: Regina A. Delahunt, Director *ELN*
RE: Opportunity Council – Leasing Specialist Services Contract
DATE: December 18, 2018

Enclosed are two (2) originals of a contract between Whatcom County and Opportunity Council for your review and signature.

▪ **Background and Purpose**

Sponsor Based Rental Assistance (SBRA) is a federal program that provides long term rental assistance in Whatcom County to homeless persons with serious mental illness. The Bellingham Whatcom County Housing Authority administers the SBRA program by providing housing vouchers directly to eligible persons. The program design requires that service match be provided to recipients by other sources; for example, case management, mental health treatment, housing search and placement. Opportunity Council acts as a SBRA sponsor in Whatcom County and helps SBRA recipients find and maintain housing. The Opportunity Council also master leases units for another federal grant that provides rental assistance, the Supportive Housing Program. Funding provided by the County under this contract funds a leasing specialist and related administrative costs for SBRA and SHP. Opportunity Council will provide safe, clean and affordable housing to an annual average of 75 formerly homeless mental health consumers annually. Consumers will benefit from rental subsidies from the SBRA and SHP programs, and from the administrative reimbursement to the Opportunity Council by Whatcom County for provision of master leasing services. This is a new contract resulting from RFP 18-13; however it is very similar to contracts in place with this contractor since 2012.

▪ **Funding Amount and Source**

The funding source for this contract, in an amount not to exceed \$69,490, is mental health millage. These funds are included in the 2019 budget. Council approval is required as this contract exceeds \$40,000

Please contact Barbara Johnson-Vinna at extension #6046 if you have any questions regarding this agreement.
