ITEMS ADDED BY REVISION

There were no agenda items added by revision.

INTRODUCTION ITEMS

Donovan moved to introduce items one through eleven (with item number 6 being a substitute version). The motion was seconded by Buchanan.

Scanlon asked about potentially setting a timeline for the budget related items.

Galloway stated by introducing these items they set forward to have a public hearing on November 5th, and they have received guidance from the Prosecutor's Office that they can hold a single public hearing for the budget and all the associated levy ordinances, so they would invite members of the public to speak to that. Then the Council would have the opportunity to either take action on November 5th or to hold until the December 2nd meeting to allow for more time to process amendments and for community outreach. She asked if the Council feels they would want to set that timeline now and commit to that.

The following people answered questions about the process of holding one public hearing on all the budget items and then voting on each individual item:

- Cathy Halka, Clerk of the Council
- Kimberly Thulin, Prosecuting Attorney's Office

Halka stated that introduction item number 1 (**AB2025-676**) is a substitute.

Councilmembers voted on the introduction items (see votes on individual items below).

Scanlon moved to follow the following proposed schedule for the budget:

October 28 - Discussion in Special Committee of the Whole

November 5 - Public Hearing

November 18 - Continue discussion and give any proposals on amendments

December 2 - Final vote

The motion was seconded by Donovan.

Halka stated the December 2nd meeting would be a Special Council meeting at 1 p.m.

Galloway stated that December 2nd would be the last available opportunity to take action on this budget and the associated budget levy ordinances.

Councilmembers, Thulin, and Halka discussed how this timeline fits into the timeline for certifying amounts to be levied by Whatcom County taxing districts, whether the motion includes that the Flood Control Zone resolutions should be done at the same time as the other levy ordinances, and the motion.

The motion carried by the following vote:

Aye: 6 - Buchanan, Byrd, Donovan, Galloway, Scanlon, and Stremler
