8. I have extensive experience as a pedestrian, cyclist, public transit user with the WTA, and motorist on Bellingham streets. I have lived in Bellingham since 1993; as a result, I am very familiar with all four modalities of travel. My concern and interest in being a part of this board has to do with over-reliance on fossil fuels for transportation, and the environmental economic and political damage that this is causing. I would like to see Bellingham remain the pedestrian, bicyclist and bus-rider friendly city that it is.

To Whom It May Concern,

The purpose of this letter is to provide a recommendation for Andrew Davis, who has been a volunteer with Bellingham Senior Activity Center for the past year. In my role as Administrative Volunteer Coordinator with Whatcom Council on Aging, I worked closely with Andrew on scheduling him in a variety of volunteer shifts and intergenerational engagement opportunities. Andrew has also taken the initiative in engaging and creating a whole new group of members who are partaking in a multitude of activities that they never would have known about if it hadn't been for him.

I would describe Andrew as being dedicated, reliable, and a team player who never hesitates to offer assistance or jump in wherever needed to help out. Andrew always comes into the center with a smile on his face and a positive attitude. We have truly appreciated the impact he has had on so many of our senior members.

Based on my experience with Andrew Davis, I can wholeheartedly recommend him as an outstanding candidate for any position he may apply for because I see him as a welcome addition to any organization. Please feel free to contact me at

[REDACTED] if I can answer any questions.

Sincerely,

Amy Wharton
