community activities,
and education

8. Please describe why
you're interested in
serving on this
Advisory Group.

I wish to serve on the Flood Control Zone Advisory Committee because the increased flooding in Sumas and the surrounding areas has deeply impacted my neighbors and I. My own workplace has been flooded twice. The Sumas Library and Community building has now also been flooded twice. Both of these locations are vital to the community, and the loss of access to either, even for a short time, is deeply felt. I wish to advocate for my community in resolving this issue.
