I. Background

In 2009, Whatcom County established the Whatcom County Offender Re-Entry Housing Program as a pilot project funded primarily by Department of Commerce Homeless Grant Assistance Program. This project has become a permanent supportive housing program for homeless ex-offenders who are returning to Whatcom County under the supervision of the Washington State Department of Corrections, for homeless ex-offenders exiting the Whatcom County Jail, for individuals experiencing homelessness, Mental Health Court participants, and chronically homeless veterans. Behavioral health services are also offered to the Lighthouse Mission through this contract.

By entering into this agreement, it is not intended to create a benefit or cause of action for any third person not a signatory to this agreement, except a program participant. By providing services to a program participant, the Contractor does not enter into a take charge relationship for anything other than making services available to the participant. It is not meant to provide protection to any third person or the public in general.

RE: Pioneer Human Services – City Gate Permanent Supportive Housing
Facility Contract Amendment #2
DATE: November 30, 2018

Enclosed are two (2) originals of a contract amendment between Whatcom County and Pioneer Human Services for your review and signature.

▪ **Background and Purpose**

This contract provides funding for Pioneer Human Services to operate a permanent supportive housing program known as City Gate. City Gate provides 36 permanent housing units for homeless ex-offenders who are returning to Whatcom County under the supervision of the Washington State Department of Corrections, exiting the Whatcom County Jail, and for individuals experiencing chronic homelessness; ten units are dedicated to chronically homeless veterans. Up to six units at a time may be occupied by participants of the Mental Health Court Program. The contractor also provides housing case management and behavioral health services so that program participants can access needed services and achieve housing stability.

The purpose of this amendment is to renew the terms of the contract for an additional year and to make changes to the Scope of Work and the budget. An increase in funding in the amount of \$85,527 is being added to this contract amendment to support actual costs for staff salaries inclusive of staff and program supervision by the Program Manager. Additionally, a link to a newly required quarterly performance measure reporting form has been added to this amendment specific to permanent supportive housing and targets for performance measures.

▪ **Funding Amount and Source**

The source of funding for this contract, in an amount not to exceed \$456,939, is local document recording fees and the Behavioral Health Program fund. Funding for this contract is included in the 2019 budget. Council approval is required because this amendment exceeds 10% of the current approved budget total.
