Cooperator Agreement No. _____

PARTICIPATING AGREEMENT
Between
WHATCOM COUNTY
And The
USDA, FOREST SERVICE
MT. BAKER-SNOQUALMIE NATIONAL FOREST

This PARTICIPATING AGREEMENT is hereby entered into by and between Whatcom County, hereinafter referred to as “the County,” and the United States Department of Agriculture (USDA), Forest Service, Mt. Baker Snoqualmie National Forest, hereinafter referred to as the “U.S. Forest Service,” under the authority: Cooperative Funds and Deposits Act of Dec. 12, 1975 (P.L. 94-148, 16 U.S.C. 565a1 – a3).

Background: The U.S. Forest Service has supported Whatcom County’s job training program through partnership agreements since 2003. Since then, the Whatcom County Offender Forestry Work Crew program has provided pre-screened, minimum-security offenders an opportunity to develop skills while working on National Forest System lands in lieu of full incarceration. Led by experience crew leaders, crewmembers have performed trail work, maintained existing forest infrastructure, and contributed to restoration of National Forest System (NFS) lands and watersheds in Whatcom and Skagit Counties. The Crew will help the Mt. Baker Ranger District leverage Great American Outdoors Act (GAOA) funding by performing deferred maintenance work on the Fire and Ice and Artist’s Ridge Trails of the Heather Meadows Trail Recreation Site Deferred Maintenance and Dam Rehabilitation project.

Title: Great American Outdoor Act Heather Meadows Trails and Recreation Site Deferred Maintenance and Dam Rehabilitation

SubTitle: Fire and Ice and Artist’s Ridge Trails at Heather Meadows

I. PURPOSE:

The purpose of this agreement is to document the cooperation between the parties to provide educational, conservation and natural resource management work opportunities through trail maintenance, reconstruction work, and related deferred maintenance through heavy trail maintenance, reconstruction work, and related project work on the Fire and Ice and Artist’s Ridge Trails in support of the GAOA-funded priority project on the Mt. Baker Ranger District. The County will place selected eligible inmates on the work crew to complete trails work for the public benefit while developing valuable work skills. This work will be accomplished in accordance with the following provisions and the hereby incorporated Financial Plan, Attachment A.

II. STATEMENT OF MUTUAL BENEFIT AND INTERESTS:

The U.S. Forest Service is responsible for the protection, development, and improvement of NFS lands and has wide ranging resource management responsibilities to further its mission of "caring for the land and serving the people". The Strategic Plan further identifies specific focus areas, including creating opportunities for engaging the public in conservation education, ecosystem management and public land management growing stewards for this and future generations.

The County believes that participating in the U.S. Forest Service mission through this partnership is a means of providing healthful, wholesome, and educational outdoor activity, as well as valuable vocational training for inmates classified by the County as minimum to medium security. These training activities aid inmates in their efforts to successfully re-enter society with practical skills and job experience.

This work will benefit the U.S. Forest Service recreation and trails programs, improve recreation access and quality of experience for visitors, and provide a positive work environment and opportunity for the County's existing development and job training programs for jail inmates. It is because of this mutual interest that the U.S. Forest Service and County desire to cooperate in implementing a program that provides job training for inmates while improving resources on public lands within Whatcom County of Washington State.
