RE: Everson Senior Activity Program Building Use Agreement

Enclosed is an interlocal agreement with the City of Everson for your review and signature.

Background and Purpose:

This long-standing arrangement outlines the terms and conditions for the County to use space at Everson City Hall to run senior programming for seniors in the Everson area.

Funding Amount and Source:

The County reimburses the City of Everson \$500 annually for the cost of utilities.

Differences from Previous Contracts

There are no changes from the last agreement – WCC 202111004. Prior agreements have been for five-year terms. Due to uncertainties with the City regarding building space, we have shortened the term to one year to allow flexibility.
