Hello, all:

I was asked yesterday to remove an item from the agenda, but didn't realize there were two files, one for discussion in committee AND one for introduction at the evening Council meeting. I removed the item from committee (AB2023-197) prior to publishing the agenda, but missed it for evening, so it was published on the agenda as an introduction item (AB2023-199). I have revised the agenda to remove the item as follows:

INTRODUCTION

5. AB2023-199 Ordinance to Repeal Ordinance 2023-004

ITEM WITHDRAWN 3.16.2023

This change is now noted online and will be included in an agenda revision notice to be sent out on Monday.

I apologize for the confusion.

Let me know if you have questions.

Dana
